

**Faculty of Education, The ICFAI University organized a Talkfest Program on  
“School Education : The Challenges and opportunities” at The ICFAI University,  
Dehradun campus**

She showed her pleasure to know the Corporate-Social Responsibilities of ICFAI University by opening Alpha Learning Centre at different slum areas in Dehradun and providing both general as well as vocational education to the children. Her experiences overwhelmed the students at the ICFAI University’s Faculty of Education. The prospective B.Ed students queried on Women related issues, primarily to those concerned with their education and the much talked about ‘Women’s liberation’.
