

Students' Seminar - August 04, 2017

Venue- B.Ed Classroom

Speaker— Monika Devi, Mainksha Lama, Cecily Anthony

Participants- Mainksha Lama, Monika Devi, Shubham Kapoor and Cecily Anthony

Organizer- Prof. Sarita Negi

Students' Seminars are a way to practice the use of various resources to extract information using offline & online tools. Seminars are able to improve their communication skill as well as they come to know how to present their views in front of others. ICFAI Education School organized a students' Seminar on various general topics such as Blue Whale Game Challenge, Doklam Crisis, Winter Olympics, NSDM (National Skill Development Mission) etc.
