## Message from the Chancellor

**Dr. M Ramachandran**  
(Up to January 19, 2021)

**Dr. Uday B Desai**  
(From April 01, 2021)

### Greetings!

The ICFAI University, Dehradun, founded in the year 2003, has, over the years, developed the capacity and capability to strive to scale new heights in the area of higher education. It has persistently crafted right systems, staff, processes and technology to evolve into one of the finest hubs of learning.

With the guidance and encouragement of the Board of Governors, the target oriented approach of the present Vice Chancellor and of the entire team under his leadership has, in recent months helped catapult the University to a position of 44<sup>th</sup> among the Top 50 Universities globally in Industry Initiatives in the World University with Real Impact Rankings (WURI) 2020, besides getting the NAAC accreditation.

The University is sensitive not only to the challenges posed by the present pandemic but also to the changes in the field of technology. It has been swift to respond to these challenges and has adopted latest technology to create a customized online platform for imparting education to its students. The University keenly focuses on updating and innovating its course curriculum to keep it relevant and contemporary for its high level professional, postgraduate and undergraduate programs. It is among the few pioneering Universities that were quick to earn the global QS IGauge E Lead Certification for E-Learning Excellence and Digitization.

The 25 acres campus of the University, nestled in the foothills of the Himalayas and the Shivaliks, is well equipped with modern labs, smart classrooms, well stocked library and utilizes latest technology to impart education, training and entrepreneurship development skills to its students. The University aims to provide relevant applied learning experiences to its students through research, internships and community outreach projects. Besides the curricular activities, the student-led clubs, social, cultural and sports activities make the campus vibrant and prepare the students to be mentally and physically fit, necessary in high demanding job profiles.

The University, today in its nineteenth year, is diligently working in the pursuit of excellence in its academic offerings, through cooperation and commitment of all our stake holders and will continue in its endeavor to groom its students into ethically grounded professional who are capable of managing change and transformation in a globally competitive environment.

## Message from the Vice Chancellor

### Greetings!

It is my privilege to present the 18<sup>th</sup> Annual Report 2020-21 of the University.

The report comprehensively covers activities conducted by the four Schools of the University from April 1, 2020 to March 31, 2021. The last two decades have witnessed a remarkable growth in Higher Education in India and across the globe. There has been a major thrust towards online education interdisciplinary studies and interactive learning has opened up several horizons for the learner.

Since its inception in 2003, the University has continuously strived to provide quality education to its students. The campus of the University is situated in a serene environment with latest infrastructure facilities conducive to Curricular and Co-Scholastic activities. The whole campus is Information & Communication Tech (ICT) enabled which helps the students and faculty to access E-Teaching and E-Learning along with the traditional teaching pedagogy. The University also boasts of latest laboratories, virtual labs which help the faculty to impart practical hands-on training to the students.

The University marches ahead to achieve its mission through a goal of blending contemporary knowledge with skills and values required to produce good citizens for our Country. The University has highly qualified Faculty in their respective fields of expertise. A large number of National and International Conferences / Seminars/ Workshops are organized by the University on a regular basis. Such events provide a variety of experiences to the students and inculcate in them skills of leadership and team spirit besides providing them exposure to the changing world which helps the students in developing their holistic personality. In terms of credentials, the University has a long history of achievements and has been awarded with several honours on National and State levels for its contribution in the field of Higher Education. The University has entered into collaborations with many prominent industry and business houses for internships with them, which have helped the students acquire skills relevant to industry requirements. Structured training programs on Soft Skills and preparatory training for competitive exams are offered in the University to help students become more employable. High percentage placements in the Schools of the University speak the effectiveness of these programs.

We would like to extend our sincerest thanks and gratitude to Chancellor, Dr. M Ramachandran, IAS (Retd.) for his continuous guidance and his visionary leadership that has always motivated us to tread the path of continuous progress and development of the University.

We are thankful to members of Board of Management, Academic Council, Research Committee and Board of Studies for their significant and valuable inputs in all aspects of University Academics and Administration.

We are proud of our students and their achievements.

Last but not the least, our heartfelt thanks to those who have been associated with the University and share the common dream of taking the University to greater heights.

I deem it my honor to be part of such a Team which is highly motivated in fostering a healthy, peaceful and engrossing atmosphere and taking the University on the global road map in the years to come.

The University is a Member of the Association of Commonwealth Universities (ACU), London, Association of Indian Universities (AIU), New Delhi and also a member of Asian Law Institute, Singapore.

**National Assessment and Accreditation Council (NAAC):** Accredited.

## 5. Campus and Infrastructure

The University has a lush green campus spread over 25 acres at Selaqui, Dehradun. It has around 2.5 lacs sq.ft. of built-up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with computing facilities, library, canteen, sports and recreation facilities. The campus provides latest teaching aids and is wi-fi enabled. The University is being widely recognized as an institution devoted to quality research and teaching. It gives utmost importance to Industry-University interface.

A number of full-time campuses based educational programs are offered in Management, Science & Technology, Education and Law at Bachelors, Masters and Ph.D. levels.

### Library Facilities

The campus has a state-of-the-art centralized library along with a specialized Law Library. Both the libraries are computerized along with Internet facilities.

The University main library contains reference materials, Indian/ International books and magazines. Subscription to industry information data base ensures that extensive research resources and publications with search facilities are available to students and faculty. In addition, it contains directories, industry reports and statistical compilations that provide timely and concise information for project work. The law library has up-to-date volumes of All India Reports, Criminal Law Journal, Taxation Law Reporter, Consumer Protection Reporter, Current Civil Cases, All Indian Rent Control, Supreme Court Cases (Weekly), Supreme Court Cases (Criminal), Supreme Court Cases (Labour), Indian Bar Review, Yale Law Journal, Harvard Law Review, International & Comparative Law Quarterly, Cambridge Law Journal and other publications. The students also have access to a vast array of books of other interests which are available from the University Central Library. The library also provides online legal resources such as Manupatra, EBSCO etc.

The library facilities are open to all students and faculty members and are continuously updated with the latest books and journals.

### IT Infrastructure

**IT Facilities:** The University emphasizes on the use of IT for teaching and in its operations. Consequently, it has deployed modern IT hardware and software on campus. Keeping the rapid obsolescence in IT hardware, software, and technologies, the University constantly upgrades its IT infrastructure. The University campus has added one additional computer lab which is used for ANSYS & Pro-E software.

The faculty uses the computing facilities for teaching and research. The computers are networked and have Internet & Intranet facilities. The computers at the IT lab are provided with standard office productivity software and antivirus.

**Intranet:** The University with its Wi-Fi enabled campus, uses IT for planning and dissemination of information. It has developed an Intranet for organizing its operations more effectively and efficiently. It helps to provide better services to students and better utilization of the University resources.

**Computing Facilities:** The University has more than 350 Personal computers with Pentium Core i5, Core 2 Duo and Dual Core processors and servers of IBM, HCL and SUN make. The other hardware includes CD Writers, Data Modems, Scanners, Network Printers, and Laser Jet Printers. The operating systems used are Windows 7, 8, 8.1, Windows 2003, Professional, Red Hat Linux6.5 and Solaris. The applications include Office 2013, Acrobat Reader17, FrontPage 2003, TurboC/C++, JAVA2.0, VisualBasic6.0, Oracle10g server and client, SQL Server and client, IBMDB2, MATLAB7b, AutoCad 2016, IBM websphere, Adobe PhotoShop, Adobe PageMaker, Macro Media Flash, Oracle ERP application server, Tally, and Focus. The University also has statistical/simulation software tools like SPSS which students and faculty are using for their research and analysis work. Students, faculty and staff are given access to all the computing facilities. Packet tracer and Wire shark are being used for networks and security lab.

**New Technology Infrastructure:** The entire campus is Wi-Fi enabled. Students have the option of using the internet access anywhere in the campus. The IT labs are equipped with the latest software and hardware. The University has 120 mbps internet bandwidth for the use of students, faculty and staff. The internet facility has been provided to all the students for their academic and research work. Computers are provided to all the teaching staff. The facilities are upgraded regularly, based on requirement, to avoid technological obsolescence.

**Photocopying and Printing Facilities:** The University provides photocopying and printing facilities both for the students, faculty and staff within the campus. Similarly, students and the faculty also have access to document scanning and CD writing facilities.

**Hi-Tech Innovative Labs:** The following hi-tech specialty labs have been set up at the University:

- **Center of AI & ML:** To facilitate imparting of knowledge about AI & ML
- **3 D Printing Lab:** To facilitate 3 D Printing knowledge technology

**E-Yantra Robotics Lab by IIT Bombay:** To facilitate establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.

**Virtual Lab Resource Center by IIT Delhi:** To facilitate imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

**Health Centre:** First Aid room and one ambulance are functional at the campus. A medical practitioner visits the University regularly and remains available thrice a week.

**Placement Cell:** Full time placement cell is in place to look after the placement activities and summer internship programs of the students across all disciplines.

**Hostel Facilities:** University has empaneled Boys and Girls Hostels with amenities such as 24 Hr power back up, Wi-Fi, mess, first-aid, washing and transportation to and from university. A resident faculty is appointed as warden. Tie up with local dispensaries/doctors has been done to take care of emergency medical care for the hostellers.

**Sports and Recreational Facilities:** Indoor and outdoor facilities for sports and recreation are available. These activities help

the students to lead a balanced life style and simultaneously enhance their leadership skills and team work. The University has a sports ground for playing football, hockey and cricket. It has Badminton, Basketball and Tennis courts besides indoor table tennis and gymnasiums for boys and girls.

**Virtual Reality Tour:** The University has developed a 360° Virtual Reality walk-through. All the prospective students and other stakeholders can now browse the virtual tour of the campus infrastructure and other facilities at [www.iudehradun.edu.in](http://www.iudehradun.edu.in)

## 6. Faculties and Programs

### ICFAI Business School (IBS):

IBS is committed to provide quality education and training in the field of management. The IBS faculty aims at providing high quality, value-based career-oriented education to the students in terms of market needs. We should include the MoU signed in January, 2021-UEL\_Virtual Mobility Agreement\_Teaching.

IBS students are closely involved in all forms of industry interface and gain hands-on experience, which leads to a more proper understanding of management concepts and practices. They are encouraged to organize seminars; management meets and workshops which develop managerial and organizing skills in them so that they can become tomorrow's business leaders. IBS believes in creating opportunities for its students to apply academic knowledge to real-life scenarios. All students are required to take up Summer Internship Program (SIP) at reputed organizations. Through this, students not only learn more but can also complete a meaningful value-added project for the company which may lead to final placements.

Summer Internship Program (SIP): Summer Internship Program (SIP) forms an important component of the MBA Program. It is an attempt to bridge the gap between academics and the corporate world. Under this program, students undertake a 14-Week internship at reputed organizations during the period between the close of Semester II and the commencement of Semester III. It requires students to undergo the rigors of a professional corporate environment. SIP exposes the students to technical skills and helps them to acquire social skills by bringing them into contact with real professionals. For proper coordination and to ensure smooth conduct of the program, each student is placed under a faculty guide. A representative of the industry/ organization guides the students and assists the faculty in monitoring the students' progress. Career Management Center at the campus helps the students in sourcing projects. Over the years, IBS has gained extensive corporate support, with this summer projects have been diverse, challenging and mutually beneficial to both the students and the corporate.

### ICFAI Tech School

ICFAI Tech School comprises of competent faculty members in all areas of science and engineering with rich experience in academia and industry. During the academic year, there are 14 full-time faculty members. The number of faculty members with Ph.D. and M. Tech/M. E/M.S qualifications are 4 and 10 respectively.

ICFAI Tech School has contributed a number of research papers in national and international journals along with paper presentations at conferences. Faculty members are engaged in research broadly in the areas of Machine Learning, Artificial Intelligence, Image Processing, Wireless Communications, Power Systems and Fuzzy Logic, Data and Web Mining Techniques, Network Security, Object Oriented Systems and Adaptive Algorithms, Parallel Processing and Real Time Systems, Ferrite Composite Materials, Non Linear Dynamics, Quantum Computations, Mathematical Physics, Semi-conducting Oxide glasses, Organic Synthesis of Molecules of Medicinal Importance, Coordination Chemistry, Semi rings, Algebraic Geometry, Number Theory, Soil Structure Interaction, Slope Stability Problems in Civil Engineering and Robotics, etc.

### Programs offered

B.Tech	Computer Science and Engineering
	Data Science and Artificial Intelligence
	Database Administration & Big Data
	Mechatronics Engineering
	Mechanical Engineering
	Civil Engineering
	Electronics and Communication Engineering
B.Tech (LE)	Computer Science and Engineering
	Mechatronics Engineering
M.Tech	Computer Science and Engineering
	Transportation Engineering
Ph.D	Science and Engineering

ICFAI Tech School has well equipped Laboratory facilities as detailed below.

### Civil Engineering

Department of Civil Engineering has modern laboratories which are well equipped and continuously upgraded with modern equipment.

- Surveying Laboratory
- Hydraulics and Hydraulic Machines Laboratory
- Geotechnical Engineering Laboratory
- Concrete Laboratory
- Transportation Laboratory

### Computer Science and Engineering

The Department has well equipped computer laboratories containing sufficient number of computers to conduct lab

sessions. The computers are dual boot (Windows/ Linux) systems and all are connected to IT servers. These labs mainly cater to the needs of Python, OOP's, JAVA, PL/SQL and .NET programming needs of the students.

- Specialized Computer Laboratory
- Centre for the Artificial Intelligence and Machine Learning is utilized to develop students and faculty in the field of machine learning and emerging technologies domains.
- 3D Printing technology is utilized to train Students and Faculty Members in the field of 3D Model technology

### Electronics and Communication Engineering

The Electronics and Communication Department has the following laboratories:

- Basic Electronics Laboratory
- VLSI-CAD Laboratory
- Microprocessor & Microcontrollers Laboratory
- RF & Microwave Engineering Laboratory
- Digital Signal Processing Laboratory
- Digital Electronics Laboratory
- Communication System Laboratory
- Electronic Devices and Circuits Laboratory
- Robotics Laboratory

Software tools such as Mat lab, Tanner tools and Cadence etc., are also used.

### Mechanical Engineering

The Department of Mechanical Engineering has advanced laboratories as mentioned below:

- CAD/CAM Laboratory
- Internal Combustion Engines Laboratory
- Automobile Engineering Laboratory
- Machine Drawing Laboratory
- Engineering Graphics Laboratory
- Metrology and Machine Tools Laboratory
- Production Technology Laboratory
- Mechanics of Solids Laboratory
- Refrigeration & Air-conditioning Laboratory
- Measurement Techniques Laboratory
- Fluid Mechanics Laboratory
- Hydraulics & Hydraulic Machinery Laboratory
- Heat and Mass Transfer Laboratory

Software used: ANSYS, Pro E and Cadian.

### Mechatronics Engineering

- Texas Instruments and Innovation Lab
- Fundamental of Electrical Engineering Lab
- Electronic Circuit Analysis Lab
- Communication System Lab
- Microcontroller and Application Lab
- Linear Integrated Circuit Analysis Lab
- Hydraulics and Hydraulic Machines Laboratory
- Fundamental of Electrical Engineering Lab
- Digital Electronics Lab

**Workshop:** The Workshop contains various machine tools and equipment like CNC lathe, Capstan lathe, Turret lathe,

Wood turning lathe along with shaper, Planner, Drilling machine, Bench grinder, etc.

Students get the hands on training in various areas of workshop as given below:

- a) Lathe machine shop
- b) Shaper
- c) Drilling
- d) Fitting
- e) Arc welding
- f) Sheet metal
- g) Carpentry
- h) Electrical wiring

### ICFAI Law School

The ICFAI Law School is a constituent of the ICFAI University, Dehradun. The programs offered are duly recognized by The Bar Council of India. Since its inception in 2004, ICFAI Law School is on the path to achieve its objective of developing well equipped and dedicated legal professionals for both Bar and Bench through a comprehensive body of integrated knowledge, rigorous education and certification programs. The main focus is on academic excellence and to strengthen by a drive towards diversifying the gamut of student activities.

The ICFAI Law School at present offers five year integrated BBA-LL.B. (Hons.) and BA-LL.B (Hons.), three year LL.B. and one Year LL.M programs. The University also encourages research activities by offering Ph.D for higher research education. It facilitates its students to explore their intellectual potential and encourages their professional development through its career oriented courses and compulsory internships in Law Firms, MNCs, NGOs, Advocates, International Organizations, State and Central Government departments etc. The programs are thus designed to impart legal knowledge and skills, both functional and integrative to the students to make them leaders in their professional life.

### Programs offered:

Category	Program	Duration
UG Programs	BBA-LL.B (Hons.)*	5 years
	BA-LL.B (Hons.)*	5 years
	LL.B*	3 years
PG Program	LL.M	1 year
Doctoral Program	Ph.D. in Law	4 Years (Min.)

\*ICFAI Law School provides one month internship program after completion of every academic year.

### Techno-Infrastructure

Latest hardware and software infrastructure are provided to cater to the computing needs of all the students and the training needs of information technology related courses for law students.

The entire campus is enabled with Wi-Fi which provides 24x7 Internet connectivity. The ICFAI Law School also provides connection to all legal database websites. The students can therefore engage in online legal research and also access the vast information resources from the internet without any impediment.

### Mentoring Process

Each student is assigned a Faculty Mentor who tries to help students with their academic and non-academic issues. The mentor counsels the student and helps student to cope up with the rigors of college life. It helps the students to get confidence, plan the future and understand the expectations of the University. It involves the students in team building and social interactions

**Academic Counseling Committee (ACC):** Students who are weak in studies or who are not able to meet the academic requirement are counseled, assisted and advised as to how they can improve their performance.

### ICFAI Education School

ICFAI Education School, a constituent of the ICFAI University, Dehradun aims at developing a new cadre of teaching professionals through a rigorous full-time B.Ed program. As a professional institution of teaching, the ICFAI Education School has a responsibility to prepare qualified professionals in teaching and academic leadership.

#### B.Ed. Program (2 years Full Time Campus based)

ICFAI Education School has conceived and developed a unique B.Ed Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of Education. Emphasis is given to holistic development of the students to meet the ever-changing demands of Education through our two-year

full-time program. The prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in Education. The purpose of curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided learning ambience where they get an opportunity to appreciate the application of IT in school education.

ICFAI Education School believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology followed here is an optimal blend of innovative teaching approach that strengthens the stance of the learners in the age of mounting competition. It includes the following:

- Intensive Teaching Workshops
- Soft Skills Development
- IT Labs
- Seminars
- Co-curricular Activities
- Talk Fests
- Projects
- Case Study Project

**Teacher Internship Program:** The Teacher Internship program (TIP) of three months forms an important component of B.Ed. Program. TIP is a simulation of real work environment in schools requires the student to undergo the rigors of professional environment both in form and substance through micro-teaching, macro teaching and simulated social skill teaching sessions.

**Placements:** The ICFAI Education School gives utmost importance to ensure success to the B.Ed. graduates to achieve suitable placement through campus selection. For achieving success in this area it has developed a strong network with the reputed schools of the region. A strong placement cell works for developing a network by conducting seminars, internships, projects and other initiatives. All pass out B.Ed graduates of the last five batches have been placed in leading schools of Uttarakhand, Delhi, Haryana, Punjab, HP, UP and other States.
