## Message from the Chancellor

**Dr. Uday B Desai**  
Chancellor

### Greetings!

The ICFAI University, Dehradun, founded in the year 2003, has, over the past two decades, developed the capacity and capability to strive to scale new heights in the area of higher education. It has persistently crafted right systems, staff, processes and technology to evolve into one of the finest hubs of learning.

With the guidance and encouragement of the Board of Governors, the target-oriented approach of the present Vice Chancellor and the entire team under his leadership has, in recent months helped catapult the University to a position of Rank-Band 1001+ overall ranking 2023, out of 112 countries/regions in the global performance against the United Nations “Sustainable Development Goals (SDGs)”.

The University is sensitive for the challenges posed in the field of science and technology. It has been swift to respond to these challenges and has adopted latest technology to create a customized online platform for imparting education to its students. The University keenly focuses on updating and innovating its course curriculum to keep it relevant and contemporary for its high level professional, postgraduate and undergraduate programs.

The 25 acres campus of the University, nestled in the foothills of the Himalayas and the Shivaliks, is well equipped with modern labs, smart classrooms, well stocked library and utilizes latest technology to impart education, training and entrepreneurship development skills to its students. The University aims to provide relevant applied learning experiences to its students through research, internships and community outreach projects. Besides the curricular activities, the student-led clubs, social, cultural and sports activities make the campus vibrant and prepare the students to be mentally and physically fit, necessary in high demanding job profiles.

The University, today in its over two decades existence, is diligently working in the pursuit of excellence in its academic offerings, through cooperation and commitment of all our stake holders and will continue in its endeavor to groom its students into ethically grounded professional who are capable of managing change and transformation in a globally competitive environment.

**Prof. (Dr.) Uday B. Desai**

## Message from the Vice Chancellor

### Greetings!

**Prof (Dr.) Ram Karan Singh**  
Vice Chancellor

It is my privilege to present the 21<sup>st</sup> Annual Report 2023-24 of the University.

The report covers the activities conducted by the University from April 01, 2023 to March 31, 2024. The ICFAI University, Dehradun provides comprehensive programs to instil skills, attitudes and competencies in its graduates so that they develop ability to undertake problem solving on real time basis and evolve into inspiring professionals. The education methodology adopted by ICFAI University Dehradun (IUD) encourages independent and innovative thinking and helps the students in developing holistic perspective, strong domain knowledge, contemporary skill-sets and positive 'can-do' attitude. The case based learning and research based teaching learning process is integrated as a dominant tool in the education methodology which reinforces the student's understanding of the concepts and their ability to apply them in real life and practical business situations by the faculties having rich experience in industry and academics.

The ICFAI University, Dehradun (IUD), has a vibrant 25 acres campus in the serene environs of the Himalayas in the state of Uttarakhand (Dev-Bhoomi) which is conducive to learning. The IUD strives to provide a high quality education to the students both in the classroom and through its rigorous internship program. There are a number of events and clubs that give students ample opportunities to develop and showcase their talents. The inputs gained from the professional programs of the IUD are significant in transforming the students into an innovative, ethically grounded, competent individual.

We are thankful to members of Board of Governors, Board of Management, Academic Council, Research Committee, IQAC Committee and Board of Studies for their significant and valuable inputs in all aspects of University Academics and Administration.

We are proud of our students and their achievements.

Last but not the least, our heartfelt thanks to those who have been associated with the University and share the common dream of taking the University to greater heights.

I deem it my honour to be part of such a team which is highly motivated in fostering a healthy, peaceful and engrossing atmosphere and taking the University on the global road map in the years to come.

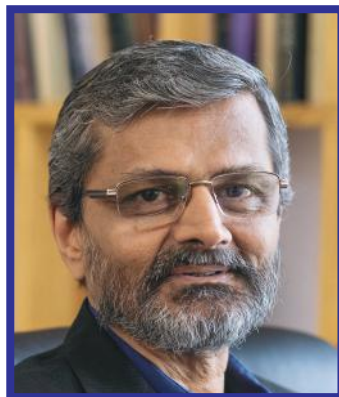

**Prof. (Dr.) Ram Karan Singh**

## THE VISITOR

H E Lt. Gen. Gurmit Singh

- The University is a Member of the Association of Commonwealth Universities (ACU), London, the Member of Association of Indian Universities (AIU), New Delhi and also a member of Asian Law Institute, Singapore.
- **National Assessment and Accreditation Council (NAAC):** Accredited.

## 5. Campus and Infrastructure

The University has a lush green campus spread over 25 acres at Selaqui, Dehradun. It has around 2.5 lacs sq.ft. of built-up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with computing facilities, library, canteen, sports and recreation facilities. The campus provides latest teaching aids and is wi-fi enabled. The University is being widely recognized as an institution devoted to quality research and teaching. It gives utmost importance to Industry-University interface.

A number of full-time campus based educational programs are offered in Management, Science and Technology, Education and Law at Bachelors, Masters and Ph.D. levels.

### Library Facilities

The campus has a state-of-the-art centralized library along with a specialized Law Library. Both the libraries are fully computerized along with Internet facilities.

The University main library contains reference materials, Indian/International books and magazines. Subscription to industry information data base ensures that extensive research resources and publications with search facilities are available to students and faculty. In addition, it contains directories, industry reports and statistical compilations that provide timely and concise information for project work. The law library has up-to-date volumes of All India Reports, Criminal Law Journal, Taxation Law Reporter, Consumer Protection Reporter, Current Civil Cases, All Indian Rent Control, Supreme Court Cases (Weekly), Supreme Court Cases (Criminal), Supreme Court Cases (Labour), Indian Bar Review, Yale Law Journal, Harvard Law Review, International & Comparative Law Quarterly, Cambridge Law Journal and other publications. The students also have access to a vast array of books of other interests which are available from the University Central Library. The library facilities are open to all students and faculty members and are continuously updated with the latest books and journals.

### IT Infrastructure

**IT Facilities:** The University emphasizes on the use of IT for teaching and in its operations. Consequently, it has deployed modern IT hardware and software on campus. Keeping the rapid obsolescence in IT hardware, software, and technologies, the University constantly upgrades its IT infrastructure. The University campus has added one additional computer lab which is used for ANSYS & Pro-E software.

The faculty uses the computing facilities for teaching and research. The computers are networked and have Internet & Intranet facilities. The computers at the IT lab are provided with standard office productivity software and antivirus.

**Intranet:** The University with its Wi-Fi enabled campus, uses IT for planning and dissemination of information. It has developed an Intranet for organizing its operations more effectively and efficiently. It helps to provide better services to students and better utilization of the University resources.

**Computing Facilities:** The University has more than 305 personal computers with Pentium Core i5, Core 2 Duo and Dual Core processors and servers of IBM, HCL and SUN make. The other hardware includes CD Writers, Data Modems, Scanners, Network Printers, and Laser Jet Printers. The operating systems used are Windows 7, 8, 8.1, Windows 2003, Professional, Red Hat Linux6.5 and Solaris. The applications include Office 2013, Acrobat Reader17, FrontPage 2003, Turbo C/C++, JAVA2.0, VisualBasic6.0, Oracle10g server and client, SQL Server and client, IBMDB2, MATLAB7b, AutoCAD 2016, IBM web sphere, Adobe Photo Shop, Adobe PageMaker, Macro Media Flash, Oracle ERP application server, Tally, and Focus. The University also has statistical/simulation software tools like SPSS which students and faculty are using for their research and analysis work. Students, faculty and staff are given access to all the computing facilities. Packet tracer and Wire shark are being used for networks and security lab.

**New Technology Infrastructure:** The entire campus is Wi-Fi enabled. Students have the option of using the internet access anywhere in the campus. The IT labs are equipped with the latest software and hardware. The University has 120 Mbps internet bandwidth for the use of students, faculty and staff. The internet facility has been provided to all the students for their academic and research work. Computers are provided to all the teaching staff. The facilities are upgraded regularly, based on requirement, to avoid technological obsolescence.

**Photocopying and Printing Facilities:** The University provides photocopying and printing facilities both for the students, faculty and staff within the campus. Similarly, students and the faculty also have access to document scanning and CD writing facilities.

**Hi-Tech Innovative Labs:** The following hi-tech specialty labs have been set up at the University:

- Center of AL & ML: To facilitate imparting of knowledge about AI & ML
- 3 D Printing Lab: To facilitate 3 D Printing knowledge technology.

**E-Yantra Robotics Lab by IIT Bombay:** To facilitate establishing Robotics Incubation Centre that serves as knowledge & resource centre for robotics.

**Virtual Lab Resource Center by IIT Delhi:** To facilitate imparting knowledge to engineering graduates about conducting different types of experiments and use of simulators.

#### **Health Centre:**

First Aid room and one ambulance are functional at the campus. A medical practitioner visits the University regularly and remains available thrice a week.

#### **Placement Cell:**

Full time placement cell is in place to look after the placement activities and summer internship programs of the students across all disciplines.

#### **Hostel Facilities:**

University has empanelled Boys and Girls Hostels with amenities such as 24 Hr power back up, Wi-Fi, mess, first-aid, washing and transportation to and from university. A resident faculty is appointed as warden. Tie up with local dispensaries/doctors has been done to take care of emergency medical care for the hostellers.

#### **Sports and Recreational Facilities:**

Indoor and outdoor facilities for sports and recreation are available. These activities help the students to lead a balanced life style and simultaneously enhance their leadership skills and team work. The University has a sports ground for playing football, hockey and cricket. It has Badminton, Basketball and Tennis courts besides indoor table tennis and gymnasiums for boys and girls.

#### **Virtual Reality Tour:**

The University has developed a 360° Virtual Reality walk-through. All the prospective students and other stakeholders can now browse the virtual tour of the campus infrastructure and other facilities at [www.iudehradun.edu.in](http://www.iudehradun.edu.in)

## 6. Faculties and Programs

### ICFAI Business School (IBS):

IBS is committed to provide quality education and training in the field of management. The IBS faculty aims at providing high quality, value-based career-oriented education to the students in terms of market needs.

IBS students are closely involved in all forms of industry interface and gain hands-on experience, which leads to a more correct understanding of management concepts and practices. They are encouraged to organize seminars; management meets and workshops which develop managerial and organizing skills in them so that they can become tomorrow's business leaders. IBS believes in creating opportunities for its students to apply academic knowledge to real-life scenarios. All students are required to take up Summer Internship Program (SIP) at reputed organizations. Through this, students not only learn more but can also complete a meaningful value-added project for the company which may lead to final placements.

**Summer Internship Program (SIP):** Summer Internship Program (SIP) forms an important component of the MBA Program. It is an attempt to bridge the gap between academics and the corporate world. Under this program, students undertake a 14-Week internship at reputed organizations during the period between the close of Semester II and the commencement of Semester III. It requires students to undergo the rigors of a professional corporate environment. SIP exposes the students to technical skills and helps them to acquire social skills by bringing them into contact with real professionals. For proper coordination and to ensure smooth conduct of the program, each student is placed under a faculty guide. A representative of the industry/ organization guides the students and assists the faculty in monitoring the students' progress. Career Management Center at the campus helps the students in sourcing projects. Over the years, IBS has gained extensive corporate support, with this summer projects have been diverse, challenging and mutually beneficial to both the students and the corporate.

ICFAI Tech School has well equipped Laboratory facilities as detailed below.

### Civil Engineering

Department of Civil Engineering has modern laboratories which are well equipped and continuously upgraded with modern equipment.

- Surveying Laboratory
- Hydraulics and Hydraulic Machines Laboratory
- Geotechnical Engineering Laboratory
- Concrete Laboratory
- Transportation Laboratory

### Computer Science and Engineering

The Department has well equipped computer laboratories containing sufficient number of computers to conduct lab sessions. The computers are dual boot (Windows/ Linux) systems and all are connected to IT servers. These labs mainly cater to the needs of Python, OOP's, JAVA, PL/SQL and .NET programming needs of the students.

- Specialized Computer Laboratory
- Centre for the Artificial Intelligence and Machine Learning is utilized to develop students and faculty in the field of machine learning and emerging technologies domains.
- 3 D Printing technology is utilized to trained Students and Faculty Members in the field of 3 d Model technology.

### Electronics and Communication Engineering

The Electronics and Communication Department has the following laboratories:

- Basic Electronics Laboratory
- VLSI-CAD Laboratory
- Microprocessor & Microcontrollers Laboratory

- RF & Microwave Engineering Laboratory
- Digital Signal Processing Laboratory
- Digital Electronics Laboratory
- Communication System Laboratory
- Electronic Devices and Circuits Laboratory
- Robotics Laboratory

Software tools such as Matlab, Tanner tools and Cadence etc., are also used.

### Mechanical Engineering

The Department of Mechanical Engineering has advanced laboratories as mentioned below:

- CAD/CAM Laboratory
- Internal Combustion Engines Laboratory
- Automobile Engineering Laboratory
- Machine Drawing Laboratory
- Engineering Graphics Laboratory
- Metrology and Machine Tools Laboratory
- Production Technology Laboratory
- Mechanics of Solids Laboratory
- Refrigeration & Air-conditioning Laboratory
- Measurement Techniques Laboratory
- Fluid Mechanics Laboratory
- Hydraulics & Hydraulic Machinery Laboratory
- Heat and Mass Transfer Laboratory

Software used: ANSYS, Pro E and Cadian.

### Mechatronics Engineering

- Texas Instruments and Innovation Lab
- Fundamental of Electrical Engineering Lab
- Electronic Circuit Analysis Lab
- Communication System Lab
- Microcontroller and Application Lab
- Linear Integrated Circuit Analysis Lab
- Hydraulics and Hydraulic Machines Laboratory
- Fundamental of Electrical Engineering Lab
- Digital Electronics Lab

**Workshop:** The Workshop contains various machine tools and equipment like CNC lathe, Capstan lathe, Turret lathe, Wood turning lathe along with shaper, Planner, Drilling machine, Bench grinder, etc.

Students get the hands-on training in various areas of workshop as given below:

- a) Lathe machine shop
- b) Shaper
- c) Drilling
- d) Fitting
- e) Arc welding
- f) Sheet metal
- g) Carpentry
- h) Electrical wiring

### ICFAI Law School

The ICFAI Law School is a constituent of the ICFAI University, Dehradun. The programs offered are duly recognized by The

Bar Council of India. ### B.Ed. Program (2 years Full Time Campus based)

ICFAI Education School has conceived and developed a unique B.Ed. Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of Education. Emphasis is given to holistic development of the students to meet the ever-changing demands of Education through our two-year full-time program. The prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in Education. The purpose of curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided teaching & learning ambience where they get an opportunity to appreciate the application of IT in school education.

ICFAI Education School believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology followed here is an optimal blend of innovative teaching approach that strengthens the stance of the learners in the age of mounting competition. It includes the following:

- Intensive Teaching Workshops
- Soft Skills Development
- IT Labs
- Seminars
- Co-curricular Activities
- Talk Fests
- Projects
- Case Study Project

**Teacher Internship Program:** The Teacher Internship program (TIP) of three months forms an important component of B.Ed. Program. TIP is a simulation of real work environment in schools requires the student to undergo the rigors of professional environment both in form and substance through micro- teaching, macro teaching and simulated social skill teaching sessions.

आईटीसी के मुख्यालय में प्रवेश करना एक ऐसी दुनिया में कदम रखने जैसा था जहाँ महत्वाकांक्षा और परंपरा एक साथ नृत्य करती थीं। यह कम्पनी 100 सालों से लोगों के जीवन मिश्रण ने आकांक्षाओं और सांस्कृतिक विरासत का एक सुंदर तालमेल बनाये रखा है।

हमारे गाइड ने हमें चमचमाते गलियारों से होकर ले गये, जो शानदार भित्तिचित्रों से सजे थे, जो कंपनी की समृद्ध विरासत को दर्शाते थे। हमें उन प्रयोगशालाओं में ड्राइवने का अवसर मिला जहाँ प्रतिभाशाली खाद्य वैज्ञानिकों ने अपना जादू चलाया और मुँह में पानी लाने वाले स्वाद पैदा किए। और मैं आपको बता दूँ, पैकेट्स में रोबोटों की सटीकता और सुंदरता बिल्कुल मंत्रमुग्ध करवाली थी।

लेकिन यात्रा का असली आकर्षण "बिगो टेडे मेथे" और "डार्क फेंटेसी" प्रोडक्शन लाइन थी। यह स्लैक प्रेमी के स्वर्ग में ले जाने जैसा था! पतली वेपर शीट से लेकर पिघले हुए पनीर के ढेर तक, यह एक अद्भुत अनुभव था जिसने हमें आश्चर्यचकित कर दिया।

फैक्ट्री छोड़ते हुए, हमारी भावनाएँ पूरी तरह से संतुष्ट थीं, और हमारे पसंदीदा व्यंजनों के पीछे अविश्वसनीय शिल्प कौशल के लिए हमारी सराहना और भी मजबूत हो गई। इस औद्योगिक दौरे से हम सभी छात्रों के संगठित दुनियाँ के ज्ञान में वृद्धि हुई है।
