

## **Celebration of Himalayan Day in the form of Seminar, Poster Making and Model Making – September 08, 2017**

Venue- B.Ed classroom

Participants- Mainksha Lama, Reena Mishra, Cecily Anthony, Shubham Kapoor, Anupama K.S, Ekta Chauhan, Monika Devi and Tenzin Jigme.

Using the platform of Himalayan Day, students of ICFAI Education School took this initiative to spread the message of urgently conserving the Himalayan ecosystem. Posters prepared by students depicted the importance and facts of Himalayas in our life. Slogans by famous people were pasted along with the model. During Seminar, students put forth their views regarding various developmental activities such as mining, construction, establishment of hydroelectric power plants, increasing population, urbanization, deforestation which is contributing to the deterioration of Himalayas.

Prof. Sarita Negi addressed the students with the importance of Himalayas as it possess flora, fauna and also the resident communities are entirely dependent on them. She added, life cannot sustain without natural resources and Himalaya is the major donor of the same. Thus, students and Faculties present took a pledge to contribute in saving Himalayas and Earth by few small steps taken in our day to day life. The participants were Mainksha Lama, Reena Mishra, Cecily Anthony, Shubham Kapoor, Anupama K.S, Ekta Chauhan, Tenzin Jigme and Monika Devi. It was a well organized activity organized by Prof. Sarita Negi assisted by Ms.Atulya Verma.
