ICFAI EDUCATION SCHOOL

ABOUT US

The ICFAI Education School (IEdS) is a constituent of "The ICFAI University" Dehradun, established in 2006 to promote quality education, research, training and consultation in teaching and training.

The ICFAI Education School produces well-trained, dedicated and competent teachers. The B.Ed. program of IEd.S is approved by the National Council for Teacher Education.

VISION

To train and prepare excellent and efficient teachers who can draw out the best in a child's development in all aspects - mind, body, and spirit. IEd.S endeavours to prepare quality pupil teachers who can mould the lives of prospective citizens of the country in bringing about their holistic development by arousing curiosity, developing their minds and helping in their character formation along with awakening the light of knowledge in them.

**MESSAGE FROM VICE
CHANCELLOR
PROF.(DR.)RAM KARAN
SINGH**

If we foresee the future, one can say with confidence that the application of knowledge and skills will be a key resource one has to equip to oneself, to be highly sought-after. At this juncture of life, your decision to select the right university is important because it would impact your future path for years to come. It is perhaps the biggest challenge that you and your parents are facing these days.

The ICFAI University, Dehradun encourages education that is distinctly keeping in mind the holistic growth of the students which makes them industry ready individuals. We are proud to be consistently ranked among premier institutions of higher education in India by different rating agencies in the domain of technical education, science, management, law and education. If you have the inner passion to excel, not only in the academic field, but also have a desire to give wings to your creative instincts, we offer you a platform to grow at The ICFAI University, Dehradun. Our multidisciplinary programmes are contemporary with flexibility and choices featured in their curriculum design, at par with international standards. We constantly update programmes and course content to meet the challenge of grooming professionals with knowledge and skills for the constantly changing requirements of local and global needs. A real-world experience is a crucial component of our approach to education. Our latest curriculum supports autonomous and creative thinking, which we believe is the key to creating new knowledge and a continuous learning approach. The various research and innovation funds provision can financially support you in exploring your ideas and converting them to real life research activities. In order to enhance research, innovation, quality of teaching and to facilitate student and faculty exchanges, the IUD has collaborated with leading national and international universities. I, on behalf of the IUD family welcome you to be part of the ICFAI family to pursue your future endeavours.

HOW ABOUT "ETERNAL RHYTHMS: SUNRISE TO SUNSET"?

IEdS

ICFAI Education School

In dawn's embrace, life births anew, Sunrise whispers dreams to pursue. Golden hues paint the sky's expanse, Hope's awakening, a graceful dance.

Each dawn a promise, a chance to start, Life's canvas waiting, a work of art. With every sunrise, shadows fade, New chapters written, choices made.

But as light wanes, the day must retire, Sunset's beauty, a gentle fire. Life's lessons learned in fading light, Reflections glimmer, in hues so bright.

Twilight whispers tales untold, As day surrenders to the cold. Yet in this cycle, beauty lies, In sunrise, sunset, life's highs and sighs.

Ms.HITASHI ARORA
B.Ed.Batch(2023-25)

“Harmony with it's realm”

Nature's canvas, a realm alive, Where creatures dwell and spirits thrive, In whispered winds and rustling trees, A world abloom with melodies.

From soaring heights to valleys low, Life's symphony in constant flow, Each being, from the grand to small, Finds its place within nature's call.

In rivers' rush and skies so wide, A sanctuary where life resides, Let's cherish, protect this precious earth, For in its embrace, we find our worth.

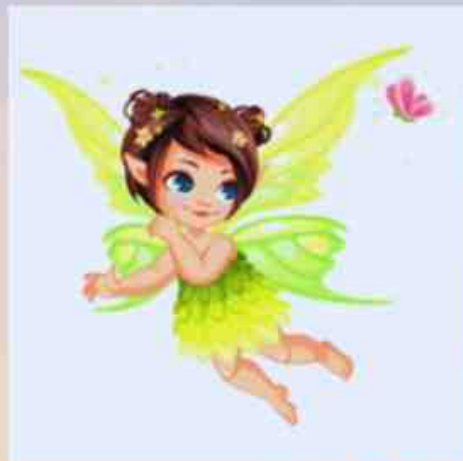

Ms.HITASHI ARORA

FAIRY TALES

When I was a kid
I believed in fairy tales.
Growing up I realized
How shallow and tame were they.

Learning the actual is a misery in itself
Popping bubbles in my Head is all I get.

Reality is harsh was the lesson I learnt!

नारी शक्ति

नारी शक्ति हर रोज किसी चौराहे पर एक नई द्रौपदी बनती है, जरा दुष्पटा सरि गया तो कई दुस्शासन की आँखे उठती हैं। शिु कन द्योधन भी तुम पर नजरे जमाए बैठे है। इस मुक्तिल में तुम्हें बचाने कोई न आगे आएगा देख परख ही तुम्हे तेरा मोल लगाया जाएगा । गैरो की इस भीड में न कोई अपना है, आ जाएंगे श्री कृष्ण बचाने यह बस तेरा सपना है। श्री कृष्ण भी मजबूर है, किसे पार लगाये। श्री कृष्ण , द्रौपदी और किस-किस लाज बचाये। खुद तुझे ही लड़ना होगा अगर जो अपनी लाज बचानी हैं, जो कोई तेरी इज्जत पर झपटे उसकी बेकल सही करनी है। तूही चंडी, तूही दुर्गा , तूही शक्ति महिला है ,बड़े बड़ो को धूल चटा दें तू वो झांसी वाली रानी हैं। शांत न हो यह क्रोध की ज्वाला क्योकि यह कदल में धधि चुकी है, गुमनामी की जीवन से शौर्या मौत बड़ी है।

पुरुष का संघर्ष

IEdS

ICFAI Education School

तुम पुरुष हो, रो कैसे सकते हो, तुम पुरुष हो, तुम सब झेल सकते हो। बचपन से उसे ये सुनना पड़ता है कोमल मन को भी, कठोर बनना पड़ता है।

नहीं-नही पुरुष होना तो आसान होता है!

जीवन की दहलीज पर आते ही उसे उम्मीदों से बांध दिया जाता है। सबकी उम्मीदों पर उसे खरे उतरने पर मजबूर किया जाता है अपने सपनों को भूल माँ-बाप के देखे सपनों को पूरा करने में लग जाता है।

नहीं- नही पुरुष होना तो आसान होता है!

सब बातों की जिम्मेवारी, उसके कंधों पर आ जाती है मुश्किल हालातों में मुस्कुराता रहता है क्योंकि रोते नहीं है पुरुष, खुद को वह यह बात समझाता है।

नहीं- नही पुरुष होना तो आसान होता है!

माँ-बाप, घर, परिवार, उनकी ख्वाहिशों के खातिर अपने अपने को भूल जाता है सबके नाज-नखरों को वो खुशी से उठाता है।

नहीं- नही पुरुष होना तो आसान होता है!

स्त्री जीवन अगर है मुश्किल तो पुरुष का जीवन भी आसान कहाँ होता है, अपवादों की बातें छोड़ो अपवाद कहाँ नहीं होता है?

नहीं-नही पुरुष का जीवन तो आसान होता है!

MOTIVATIONAL QUOTES

Never stop trying, never stop believing.

Never give up, your day will come.

If you are always trying to be normal

You will never know how amazing you can be.

Our prime purpose in this life is to help others,

And if you can't help them, at least don't hurt them.

Study hard and focus on your goals,

One day you're gonna make yourself proud.

Success demands for sacrifices,

Sacrifice of sleep,

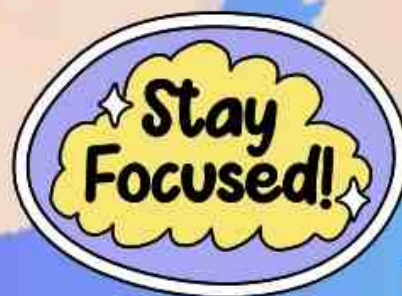

Sacrifice of entertainment,

Sacrifice of comfort zone.

When life gives you hundred of reasons to cry,

Show life that you have thousands of reasons to smile.

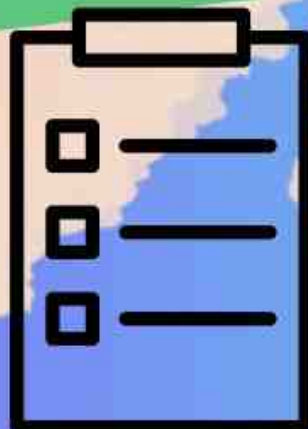

YOU CAN
DO IT!

OH MAH BAD LUCK

Trying hard to get out of the darkness

But still it's not happening ..

Bloody eyes , crazy thoughts

Killing me inside

Cause I m stuck with bad luck..

With mah Bad Luck

Pity me, smiling outside

Damn! Me (I) faking all time

Hurting myself with doing all these

I wonder sometimes , do I even Deserve this ?

It's my bad luck ,oh ! My bad luck

This pain burning me up so hard

Dumbo Me .. feeling Numb

I need a break now..

Let it rain now

I swear

It's a loosing game ..

I see the end of it

But still carrying on ..0

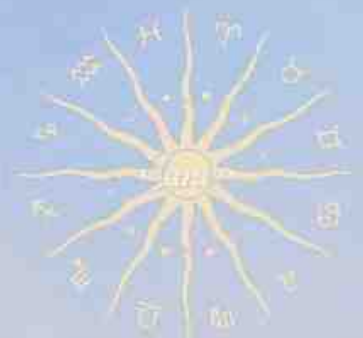

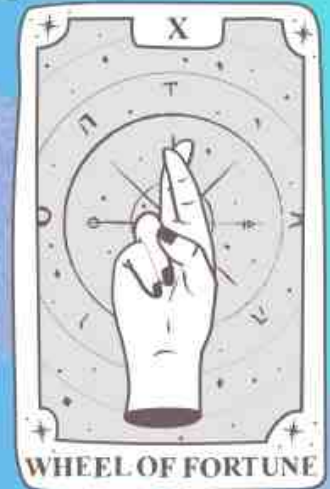

Broken heart , fixing it ..

Foolish me, falling down

Hoping for the heavy rain

I' m gone now ..

But still hoping for my good luck ..

WHISPERS OF THE HEART

In a world where she listens with care
Her own feelings she doesn't often share
She's always there for everyone around,
but her own desires are yet to be found

She dreams of going out like the rest ,
Living life fully ,feeling truly blessed.
Making her own choices, being her own guide,
Breaking free from the path others decide.

Since childhood ,she's followed her parents lead,
But now she longs for a life of her own, indeed
she wants to explore ,to see the world a new,
To make her own decisions, dreams come true

बस तू हिम्मत मत हारना ।

तू हिम्मत मत हारना ,
हॉस्ला रख , फूल फिर खिलेगा।
तुझे नीचे गिराने वाले बहुत मिलेंगे,
पर गिर के संभलना तुझे खुद ही सीखना होगा।

पर तू हिम्मत मत हारना,
हॉस्ला रख , सूरज फिर उगेगा।
तेरी हिम्मत को तोड़ने वाले बहुत मिलेंगे,
पर तुझे अपना हॉस्ला खुद बढ़ाना होगा।

पर तू हिम्मत मत हारना,
हॉस्ला रख , चांद फिर रोशन होगा।
तुझपे हसने वाले बहुत मिलेंगे,
पर उस हसी को अपनी मुस्कुराहट में बदलना तुझे खुद सिखना होगा ।

पर तू हिम्मत मत हारना,
हॉस्ला रख, तू फिर उठेगा, फिर खिलेगा ;
फिर रोशन होगा तेरा नाम,
फिर जगमगाएगा तेरा काम ;
बस तू हिम्मत मत हारना , हॉस्ला रख ।

WAIT FOR YOU

Only a moment
 Never sorry
 I had suffered
 An agony
 Death was terrible,
 The dread of being
 remembered after death passed through my thoughts
 I, the solitary nature
 Sealed my lips
 all things resolved
 Softened in that dire extremity;
 humbly beseeching pardon of heaven; melted at heart
 No farewell of those dear to me or they compassion on
 my miserable errors
 Even in dying eyes red and bloodshot.
 I was the villain
 the gun, a blow, the vacant air between us.
 Left for dead
 shouldn't come to life again
 Was favoured, bullied and beat.
 Now you must pay for it.

UTTARAKHAND DIARIES

Introduction:

Nestled in the lap of the majestic Himalayas Uttarakhand, often referred to as the "Devabhoomi" or land of the Gods, is a treasure trove of natural beauty and cultural richness. The northern Indian state is a heaven for travelers seeking a harmonious blend of spirituality, adventure, and serenity. From the snow-capped peaks of the Himalayas to the lush green valleys, Uttarakhand beckons explorers to embark on a journey that transcends geographical boundaries and captures the essence of a mystical paradise.

Geography and Biodiversity:

Uttarakhand boasts a diverse topography that ranges from the towering peaks of Nanda Devi and Trishul to the gentle slopes of the lower Shivaliks. This state is home to some of the holiest rivers in Hinduism, including the Ganges and the Yamuna, which originates from the pristine glaciers of Uttarakhand. The rich diversity of the region is evident in its natural parts and wildlife sanctuaries, such as Jim Corbett National Park and Rajaji National Park, where travelers can witness the untamed beauty of the Himalayan flora and fauna.

Adventure and Thrill:

For those seeking adrenaline-pumping experiences, Uttarakhand offers a plethora of adventure activities. Rishikesh, known as the "Yoga Capital of the World" is also a hotspot for white-water rafting and trekking. Auli, with its pristine slopes, beckons skiers and snow enthusiasts during the winter months. The Valley of Flowers, a UNESCO World Heritage Site, is a paradise for trekkers, showcasing a vibrant display of alpine flowers against the backdrop of snow-capped peaks.

है कठिन भूलना सब कुछ

शायद ताकत नहीं कमजोरी है मेरी,
कुछ ना भूल पाना।
है कठिन भूलना सब कुछ,
लेकिन है चाहत भूलना सब कुछ।

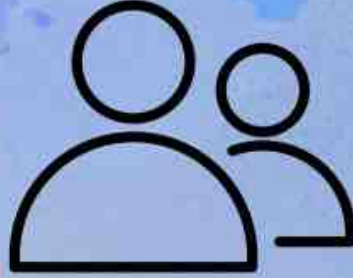

माना कि आसान नहीं होगा,
लेकिन है ज़रूरत भूल जाना सब कुछ।

डर है कि भूल नहीं सकती,
लेकिन है इबादत भूल जाना सब कुछ।

खुशनसीब है वो लोग,
जिनको याद नहीं रहता सब कुछ।
लेकिन हैं नहीं हम भी बदनसीब,
और ना ही हम कमजोर हैं।

क्योंकि हम याद रखते हैं सब कुछ,
क्योंकि हम याद रख पाते हैं सब कुछ,
क्योंकि हमें याद रहता है सब कुछ,

हां ! शायद इसीलिए।
क्योंकि है कठिन भूल पाना सब कुछ।
हां ! शायद इसीलिए।
क्योंकि है कठिन भूल जाना सब कुछ।

बुरा कोई मजहब नहीं,
बुरा कोई देश नहीं,,
बुरा हर शख्स नहीं,
बुरा है हर वो शख्स,,
जिसकी नज़रें हैं बुरी,
बुरा है हर वो शख्स,,
जिसका नज़रिया है बुरा,
बुरा है हर वो शख्स,,
जो शख्स हो बुरा।।

PROS of AI:

- **Efficiency:** AI can automate repetitive tasks, increasing efficiency and allowing human resources to focus on more complex and creative aspects of their work.
- **Accuracy:** AI systems can process vast amounts of data with precision, reducing errors and enhancing decision-making.
- **Innovation:** AI fosters innovation by enabling the development of advanced technologies such as machine learning, natural language processing, and computer vision.
- **Cost Savings:** Automation through AI can lead to cost reductions in various industries by minimising the need for manual labour and optimising resource utilisation.
- **Personalization:** AI-driven algorithms can analyse user behaviour to provide personalised experiences in areas like online shopping, content recommendations, and healthcare.

CONS of AI:

- **Job Displacement:** Automation and AI advancements may lead to job losses in certain industries, raising concerns about unemployment and the need for retraining the workforce.
- **Bias and Fairness:** AI systems can inherit biases present in training data, resulting in discriminatory outcomes. Ensuring fairness and addressing bias is a significant challenge in AI development.
- **Privacy Concerns:** The collection and analysis of large amounts of personal data by AI systems can raise privacy issues, necessitating robust regulations and safeguards.
- **Dependency and Reliability:** Over Reliance on AI systems without adequate human oversight can pose risks, especially in critical areas like healthcare, finance, and autonomous vehicles.
- **Security Risks:** AI systems may be vulnerable to malicious attacks, and the misuse of AI in cyber threats or deep fakes poses risks to individuals and organisations, requiring robust cybersecurity measures.

मंजिलें

बेमंजिल निकल चल कभी,
कभी तो राहों को भी अपना ले।
क्या रखा किसी के हो जाने में,
कभी तो खुद को खुद का हो जाने दे।

तू झांक कभी भीतर अपने,
बेचैनी में जो तू रोई है,
पहचान अपनी बनाने के लिए,
तू अरसे से ना सोई हैं।

छोड़ दुनियादारी,
इन लोगो की बातों में क्या रखा है।
आंखें मिच देख जरा,
जितने के लिए पूरा जहान रखा हैं।

खोज छोड़ चाणक्य की,
तुझमें खुद एक एकलव्य बसा हैं।
बेमंजिल निकल चल कभी,
जीतने को पूरा जहान रखा है।

स्वरचित कविता

मौन की भाषा

मौन! मौन की अपनी अलग भाषा है,
 मौन! मौन में सुकून, दर्द व समस्त भाव समाता है।
 मौन! बिन कहे सब कह जाता है,
 मौन! मौन में है असीम प्रेम, तो नाराज़गी भी।
 मौन! देता है बल; रचने का एक नया संसार।
 मौन! शक्ति है; मौन! भक्ति है, मौन! लुटाता खुशी अपार।
 मौन! तो है हर भाव की भाषा, मौन तो सृजता अनुपम व्यवहार।
 मौन! काटता हर बाधा, कर देता भाव से पार।
 ज़रा रुको! सुनो ध्यान से; मौन में है निराकार ब्रम्ह का वास।
 करोगे गर दोस्ती इस मौन से तुम; तो रहेगी सदा सत् ऊर्जा पास।
 समझो ना तुम मौन को यूं कमज़ोर,
 ये मौन तो है बहुत खास।
 मौन! मौन की अपनी अलग भाषा है,
 मौन! अनंत की भाषा है; इसमें सकल ब्रम्हांड समाया है।

THE POWER OF WORDS

NURTURING, READING AS A VITAL SKILL

The man who does not read has no advantage over the man who cannot read
- Mark Twain

1. Engaging in avid reading has been transformative, expanding my cognitive landscape and equipping me with a versatile toolkit for navigating life's challenges. Through literature, I've encountered diverse perspectives, unlocking a myriad of solutions to complex problems. This intellectual exploration has not only sharpened my problem-solving skills but also instilled a profound sense of curiosity.

2. In the vast realm of written words, I discovered profound insights into human nature and relationships. Literary works serve as a mirror, reflecting the complexities of human emotions and interactions. This insight has been invaluable in fostering meaningful connections with others. It's through the pages of novels and essays that I've gleaned lessons on empathy, communication, and the intricacies of human dynamics, providing a blueprint for cultivating rich, enduring relationships.

3. Furthermore, the habit of reading has been a steadfast companion during times of adversity. The wisdom distilled from literature has fortified my resilience, offering solace and perspective when faced with life's inevitable setbacks. Stories of triumph over adversity and characters overcoming seemingly insurmountable odds serve as beacons of inspiration, imparting the invaluable lesson that challenges are not roadblocks but opportunities for growth.

4. As an educator and a parent, I am keenly aware of the profound impact literature can have on shaping young minds. Introducing students and my own child to the world of books is, to me, the most precious gift. Beyond academic knowledge, it is through reading that they can learn empathy, critical thinking, and resilience – virtues that extend far beyond the confines of a classroom.

5. In instilling a love for reading, I aim to provide them with a lifelong companion—a source of enlightenment, solace, and empowerment. Through books, they can explore the vast expanse of human thought, cultivate an understanding of diverse perspectives, and discover the reservoir of strength within themselves. It's a gift that not only enriches the mind but also nurtures the soul, fostering a generation of individuals equipped to face the complexities of life with grace and resilience.

LIFE SKILLS FOR SOCIALIZING

Life Skills are essential techniques for navigation and coping with the challenges of our daily life. They enable effective problem solving and adaptability in various situations throughout one's lifetime by following ways:

- **How to communicate their feelings:** Teaching the kids to communicate about their feelings is crucial for emotional well-being. Journaling is a key tool fostering self expression and preventing potential emotional challenges in adolescence and adulthood.
- **How to handle rejection or failure:** Handling rejection and failure involves showcasing your own experiences and emphasizing resilience. The goal is to guide children with empathy, emphasizing that setbacks don't define them.
- **Show respect to everyone:** Lead by example, demonstrating respect to others, especially family members is crucial for instilling this value in your children.
- **How to know their own limits and boundaries:** Help your child understand their limits by addressing the reasons behind a bad attitude. Teach self-care, saying no when needed and establishing boundaries without being selfish. A child aware of their limits becomes emotionally and mentally healthier.
- **How to apologize:** Apologizing is a vital and humbling skill. Acknowledging mistakes builds character and teaching this to children is vital for healthy relationships.

WHAT IS THE G20 AND HOW DOES IT WORKS

The G20 originated in 1999 in response to the Asian financial crisis of 1997-98, initially serving as an informal platform for finance ministers and central bank governors from both developed and developing economies. In 2008, following the global financial crisis, the G20 expanded to include the heads of state of member countries. The G20 Presidency rotates annually under a troika system, involving the current, previous, and next host countries. In 2022, India took over the G20 Presidency from Indonesia, the preceding member of the troika. The presidency has now been passed to Brazil, the next troika country.

The G20 operates through three main tracks: the Finance Track, the Sherpa Track, and Engagement Groups.

- **FINANCE TRACK**: Led by finance ministers and central bank governors, this track convenes approximately four times a year. It addresses fiscal and monetary policy issues, including the global economy, infrastructure, financial regulation, financial inclusion, international financial architecture, and international taxation. Key working groups within this track cover topics, such as the Framework, International Financial Architecture, Infrastructure, Sustainable Finance, Financial Inclusion, Finance and Health, International Taxation, and Financial Sector Matters.
- **SHERPA TRACK**: Established in 2008 when the G20 became a leaders' summit, the Sherpa Track is comprised of representatives of heads of state. It focuses on socioeconomic concerns like agriculture, anti-corruption, climate change, the digital economy, education, employment, energy, environment, health, tourism, trade, and investment. Each representative in this track is referred to as a Sherpa, and there are 13 working groups covering areas, such as Agriculture, Anti-corruption, Culture, Development, Digital Economy, Disaster Risk Reduction, Education, Employment, Energy Transitions, Environment and Climate Sustainability, Health, Tourism, and Trade and Investment.
- **ENGAGEMENT GROUPS**: This unofficial track includes non-government participants and engagement groups that provide recommendations contributing to policy-making. The Engagement Groups consist of Business20, Civil20, Labour20, Parliament20, Science20, SAI20, Startup20, Think20, Urban20, Women20, and Youth20.

ORIENTATION OF B.ED. BATCH III SEM (2022-24)

The orientation program aims to equip students with the necessary skills, knowledge, and confidence to succeed during their internship period. The ICFAI Education School organized an orientation program for the students of B.Ed. Batch 2023-25 Sem-III was organized on 2nd August, 2023. The day started with a detailed discussion by Dr. Meena Bhandari, Head, IEdS on various aspects including understanding the internship process, professional ethics, classroom management and effective teaching strategies.

The orientation program is just the beginning of the support provided to B.Ed. students during their internships. The orientation program for B.Ed. students at The ICFAI Education School lays a strong foundation for a successful internship experience. By focusing on critical aspects such as internship understanding, professional ethics, classroom management, and teaching strategies, the university ensures that its students are well-prepared and confident to excel during their internship period. This program ultimately contributes to producing highly skilled and competent educators who will positively impact the future generations of learners.

Orientation of B.Ed. Batch (2023-25)

College orientation is a chance for incoming students to explore the campus, meet faculty, and talk to an academic advisor before registering for classes. It's also an opportunity to find out more about your school. THE ICFAI UNIVERSITY had it's orientation in the month of August , 2023. The purpose was to adapt new students to university culture.

SARASWATI PUJA

Saraswati Puja is a Hindu festival dedicated to the goddess Saraswati, who is worshipped for knowledge, wisdom, and arts. It is often celebrated during the Hindu month of Magha. People perform prayers, offer flowers, and seek blessings for learning and creativity during this festival. THE ICFAI UNIVERSITY celebrated this festival with much enthusiasm and vigour by the students and staff.

"Let us invoke the blessings of Goddess Saraswati, who dispels the darkness of ignorance and brings light of knowledge and wisdom."

TEACHER'S DAY

In India, 5th September is celebrated as Teachers' Day as a mark of tribute to the contribution made by teachers to the society. 5th September is the birthday of a great teacher Dr. Sarvapalli Radhakrishnan, a staunch believer of education and a well-known diplomat, visionary, statesman, scholar, President of India and above all a perfect Teacher. This day is dedicated to the teachers with the sense of respect, appreciation, encouragement and support for their devotion to their students.

The teacher's day was celebrated by the students of ICFAI Education School, The ICFAI University at Dehradun campus on 5th September 2023 to express their gratitude for the immense contribution put forth by their teachers towards their development. Teachers are the cornerstone of students' future.

Students decorated the college campus with the decorative items on the eve of Teacher's day and the faculties were welcomed warmly. Each of the faculties were given a gift as a token of gratitude to show the acknowledgement and recognition of the hard work put by the teachers towards their development, wishing them a Happy Teachers Day. Teachers Day was celebrated with a lot of anticipation, for the sheer spirit of the occasion. The event was concluded by the reviews of Head of the Department, Academic Coordinator and all the faculties.

All in all, it was celebration mode for everyone!

Shram Daan Event

The ICFAI University commemorated Mahatma Gandhi's birth anniversary on 2nd October 2023 with a Shram Daan event, promoting selfless service and Gandhian values. Students and faculty engaged in activities like cleaning, tree planting, awareness campaigns, and aiding the underprivileged. This initiative not only honored Gandhi's principles but also united the university community, fostering a spirit of responsibility and empathy. Such events are crucial in instilling values and encouraging active participation in community service.

Paragraph writing competition was held on the topic of 'Importance of Sound Mental Health For All' in ICFAI University in the IUD auditorium. The main purpose of the competition was for developing research skills, learning how to gather information from various sources for the students.

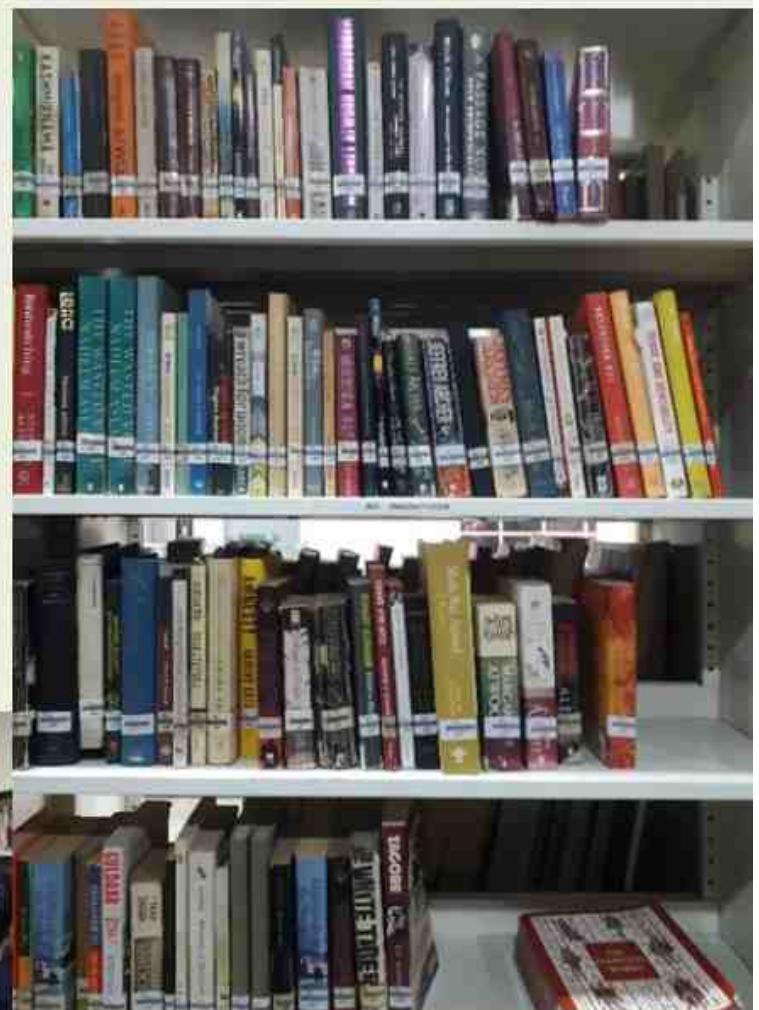

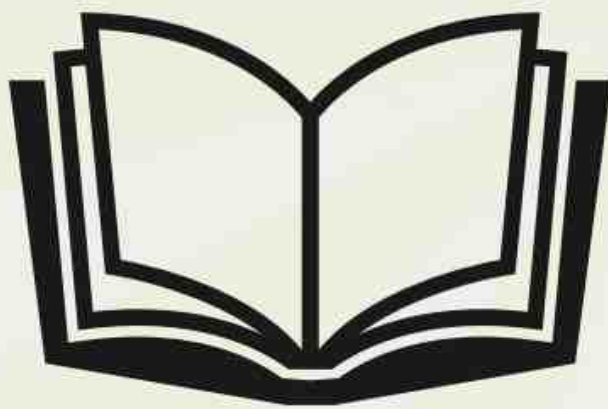

World mental health day is to raise awareness among the people as a universal human right.

Library Visit

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.” – Dr. Seuss

Library visits are fun especially with friends, colleagues or batchmates. The ICFAI University of B.Ed. department organized a library visits for the B.Ed. students on 2nd of November.

Museum Visit

IEdS

ICFAI Education School

“The best introduction to art is to stroll through a museum. The more art you see, the more you’ll learn to define your own taste.”

On 2nd November, The ICFAI University organized a museum visit along with the library visit. It was the ‘JUGAL KISHORE PETSHALI MUSEUM’. The museum had many beautiful and mesmerizing artifacts which was impossible to imagine still exists. The museum is such a place where students transported to the past and try to connect with that era. It was a wonderful experience for each students.

CHILDREN'S DAY

IEdS

ICFAI Education School

The best way to make children good is to make them happy.”- Oscar Wilde

Children day is celebrated every year on November 14th in reminiscing of Jawaharlal Nehru, who was the well wisher for younger kids.

Icfai University celebrated this day with great enthusiasm and organized various event for the college students.

"TLM EXHIBITION BY B.ED. BATCH 2022-2024"

B.Ed. students at THE ICFAI UNIVERSITY Dehradun gained invaluable teaching experience. They honed their pedagogical skills by conducting interactive lessons with the help of working models in order to make learning more enthusiastic and interesting.

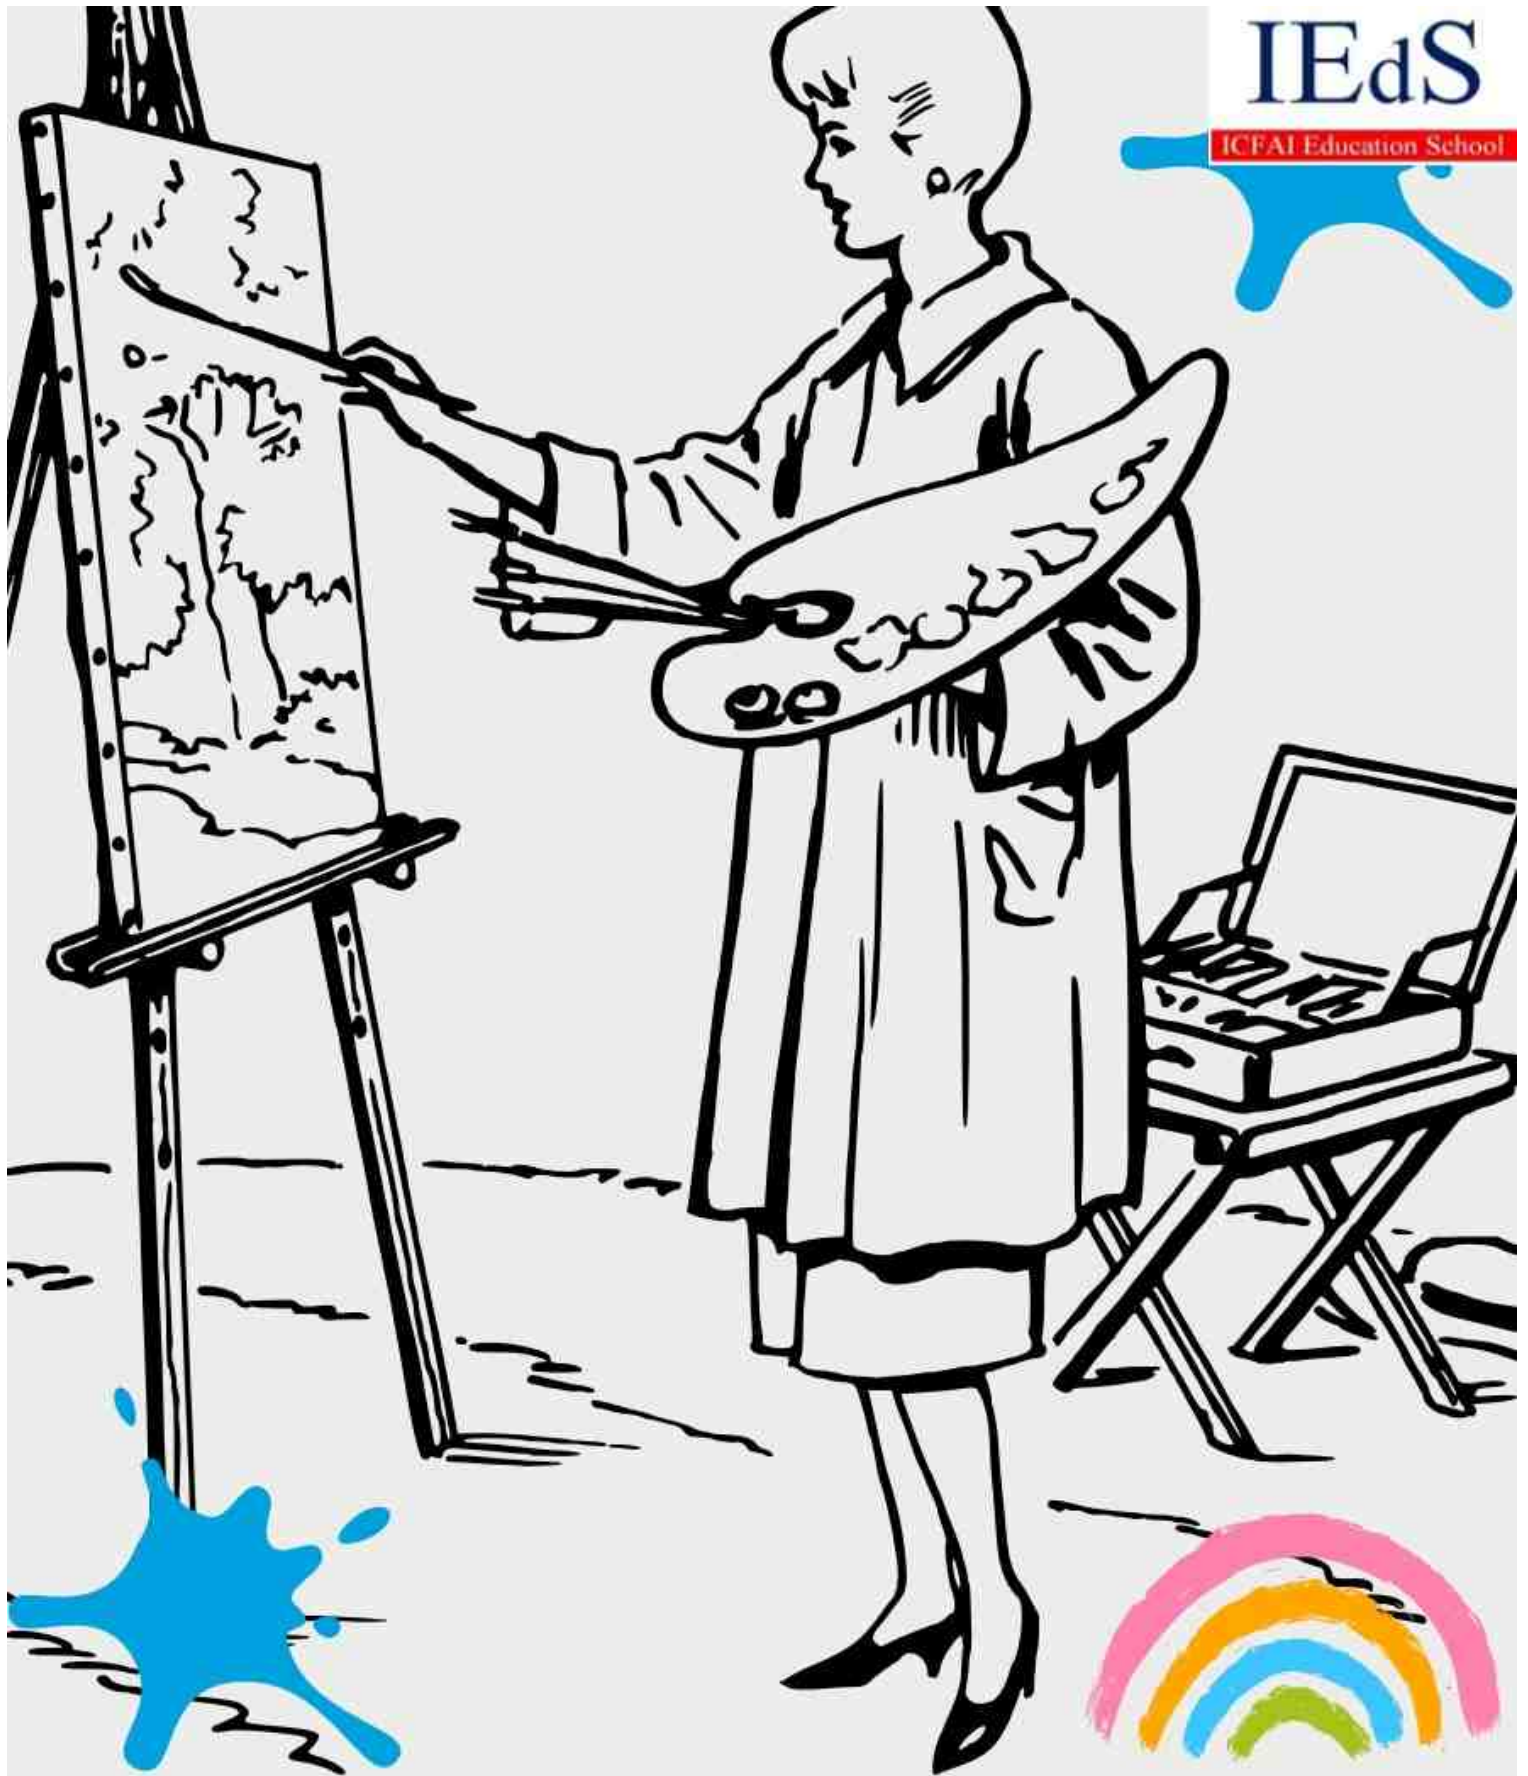

The student made different working models on account of which an exhibition was held on December 12th, 2023 in the university ground opposite to canteen in which our honourable vice chancellor sir, respected registrar sir, director sir, deans from various departments and various faculties came in exhibition and praised the students for their immense hardwork and dedication and wished them luck for future.

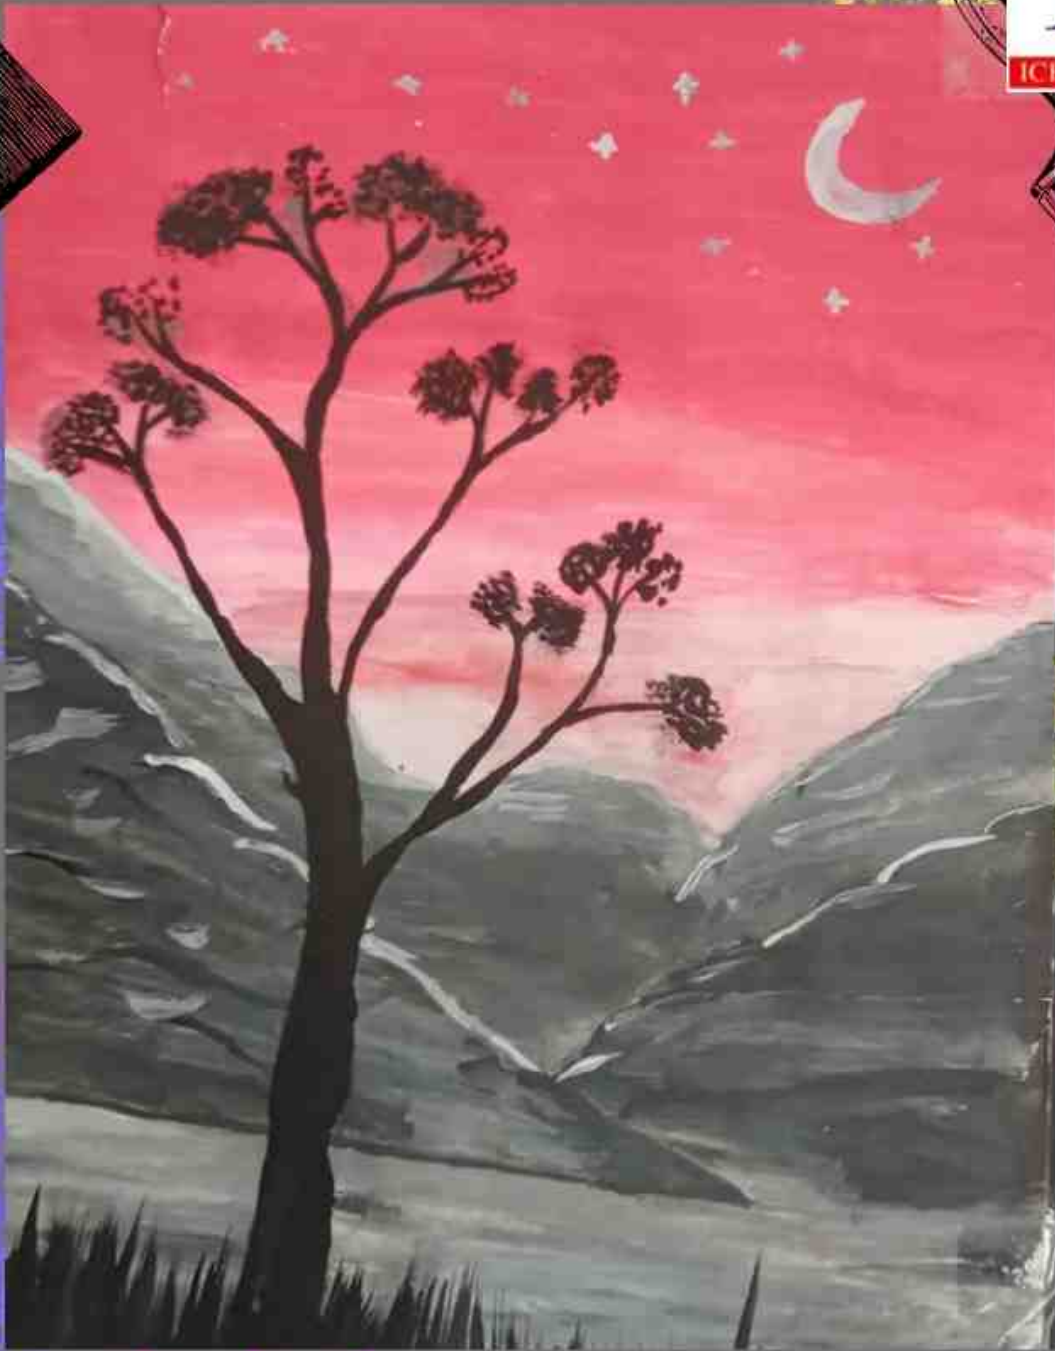

"ICFAI DEHRADUN'S B.ED. STUDENTS SHINE THROUGH DYNAMIC TEACHING EXPERIENCE"

B.Ed. students at THE ICFAI UNIVERSITY Dehradun gained invaluable teaching experience through practical classroom engagement. They honed their pedagogical skills by conducting interactive lessons, adapting teaching methodologies, and catering to diverse learning needs. Through mentorship and observation, they refined their instructional strategies and classroom management techniques. Engaging with students of varying ages and backgrounds enriched their understanding of effective teaching practices. This hands-on experience equipped them with a deeper insight into the dynamic landscape of education.
