**Memorandum of Understanding
between
Bangor University, United Kingdom
and
The ICFAI University Dehradun, India**

1. *The Scope of this Agreement*

Bangor University (BU) and The ICFAI University Dehradun (ICFAI) aim to establish and develop a close relationship in order to promote academic and cultural exchange between the two institutions through mutual assistance in the areas of teaching and research.

The Memorandum of Understanding will serve as a general framework for institutional co-operation. It will facilitate faculty members to discuss and develop specific programmes of co-operation. Co-operative relations shall be carried out through activities such as:

- Collaborative research
- Promoting the exchange of students (at all levels)
- Exchange of academic and administrative staff
- The application of e-learning and distance-learning technologies

2. *Information Exchange*

Arrangements will be made for BU and ICFAI to provide each other with listings of research programmes and topics and research expertise in agreed subject areas. These lists will be updated annually.

Both institutions will undertake to formulate concrete proposals for practical and research activities that can be considered within the framework of this agreement.

3. *Institutional Coordinators*

Each institution will nominate an Institutional Coordinator who will communicate regularly with his/her opposite number to monitor the progress of collaborative and staff/student exchange arrangements.

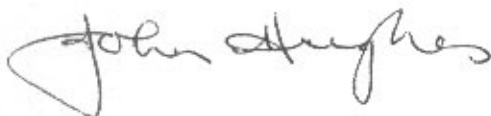

4. *Terms of the Agreement*

The Institutional Coordinator will undertake a review of this Memorandum of Understanding after four (4) years. Mutually acceptable amendments will then be made in light of accumulated experience.

This Memorandum of Understanding is subject to the rules and regulations governing BU and ICFAI
