From the Vice Chancellor's Desk

The ICFAI University, Dehradun

ANNUAL REPORT 2013-2014

Greetings!

I feel privileged to present the Annual Report 2013-14 of the ICFAI University, Dehradun as per the ICFAI University Act, 2003 (Act No. 16 of 2003). The report covers various activities of the University from April 1, 2013 to March 31, 2014. This is ICFAI University's Eleventh Annual Report since its inception in 2003.

All academic activities in the ICFAI University, Dehradun are focused towards generating a professionally competent, highly skilled and an all round socially conscious citizen. Skills cultivated, both professional and soft, during the program are of high quality and standard. Our education and training cultivates unmatched talent in the personality of the students.

The University has adequate constructed area (2,30,000 sq ft) for class rooms, laboratories, workshops, library, cafeteria and indoor game halls on a 25 acre plot which is Wi-Fi enabled. To ensure highest academic standards, faculty is drawn from IITs / NITs and top Universities. A large number of the teaching faculty are either Ph.D. or hold M.Tech / LLM / M.Ed degree in the desired discipline from reputed Institutions / Universities.

India Today Nielsen Survey 2013 has ranked our Law program at 22nd position amongst Top 25 Indian Law Colleges / Universities of the country. Our MBA program has been ranked 22nd amongst Top B-Schools of Excellence and ranked 1st in Uttarakhand by CSR-GHRDC B-School Survey, 2013. Career Launcher has positioned our MBA program under "Cluster 6". Silicon India ranked our B.Tech program at 1st position amongst top 10 Private Engineering Institutions in 2013. CSR-GHRDC engineering colleges survey 2013 ranked us at 12th position in the North region. Our B.Ed program has been ranked 2nd by Big Research Organization (2013). The placement for passed out MBA batch was 90%. In case of B.Tech, it was around 50%, for Law graduates the figure was more than 80% and for B.Ed, it was around 90%.

On expiry of the terms of some members, four new members were inducted in to the Academic Council of the University: (1) Justice K. D. Shahi, Retd. Judge, High Court, Allahabad (2) Dr. Devendra Juyal, Ex-Member Uttarakhand Public Service Commission, Director (Retd.), IRDE(DRDO), Dehradun (3) Prof. Dinesh Thapliyal, Ex-Registrar G.B. Pant University and Doon University, Ex-Dean Pantnagar University and (4) Dr. M. V. Kartikayan, Head, Department of Electronics & Communication, IIT Roorkee.

H.E., the Governor of Uttarakhand, Dr Aziz Qureshi, Visitor, was the Chief Guest on the occasion of Convocation of the University held on June 3, 2013. Several high level dignitaries including Lokayukta, former Vice Chancellors, Secretaries and reputed academicians and jurists witnessed the Convocation ceremony. I take this opportunity to express my gratitude to His Excellency, the Governor of Uttarakhand, Dr. Aziz Qureshi.

Our students go to Primary and Upper primary schools in nearby villages and interact with the students who are mainly from rural poor households, to create awareness. Our Law students visit the District jail and nearby localities/villages to create in the inmates/citizens legal awareness about their rights and responsibilities. Almost all administrative staff and some faculty members are from Uttarakhand. The University, therefore, contributes to employment generation, which benefits the state.

The University has been immensely benefited by the visionary inputs and progressive suggestions of our Chancellor Dr. M. Ramachandran, IAS (Retd.). We are grateful to the Chancellor and the Members of the Board of Governors. We are also thankful to the Members of the Board of Management and Academic Council for their guidance and valuable inputs. I thank the press and media fraternity for their continuous support. Last but not the least, I also express thanks to all faculty members and non teaching staff of the University for their active cooperation.

The enclosed report gives details of the academic activities of the University for 2013-14.

Dr. S. C. Deorani

Vice Chancellor

1. Introduction

The ICFAI University Dehradun, Uttarakhand was established under the provision of the ICFAI University Act, 2003 (ACT NO.16 of 2003). vide notification No. 908/Higher Education/ 20013-3 (16) /2003 dated 23.09.2003 of the Government of Uttarakhand. The University is sponsored by the Institute of Chartered Financial Analysts of India, a not-for-profit educational society established in 1984 under the Andhra Pradesh (Telangana Area) Public Societies Registration Act, 1350 F (Act 1 of 1350F).

The University emphasizes on providing high quality and industry relevant education in the areas of Management, Science and Technology, Law and Education.

ICFAI University, Dehradun is Member of the Association of Commonwealth Universities, London and Member of the Association of Indian Universities, New Delhi.

2. Vision: Merit with Ethics

The vision of IUD is to inculcate an approach through continuous and proactive endeavors, in acquiring domain knowledge, professional skills and positive attitude and to promote amongst faculty member a strong culture of creation of knowledge through higher learning and research.

Mission

The mission of the University is to offer world class, innovative,

career-oriented professional post graduate and undergraduate programs through inclusive technology-aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics. The University will strive to create an intellectually stimulating environment for research, particularly into areas bearing on the socio-economic and cultural development of the state and the nation.

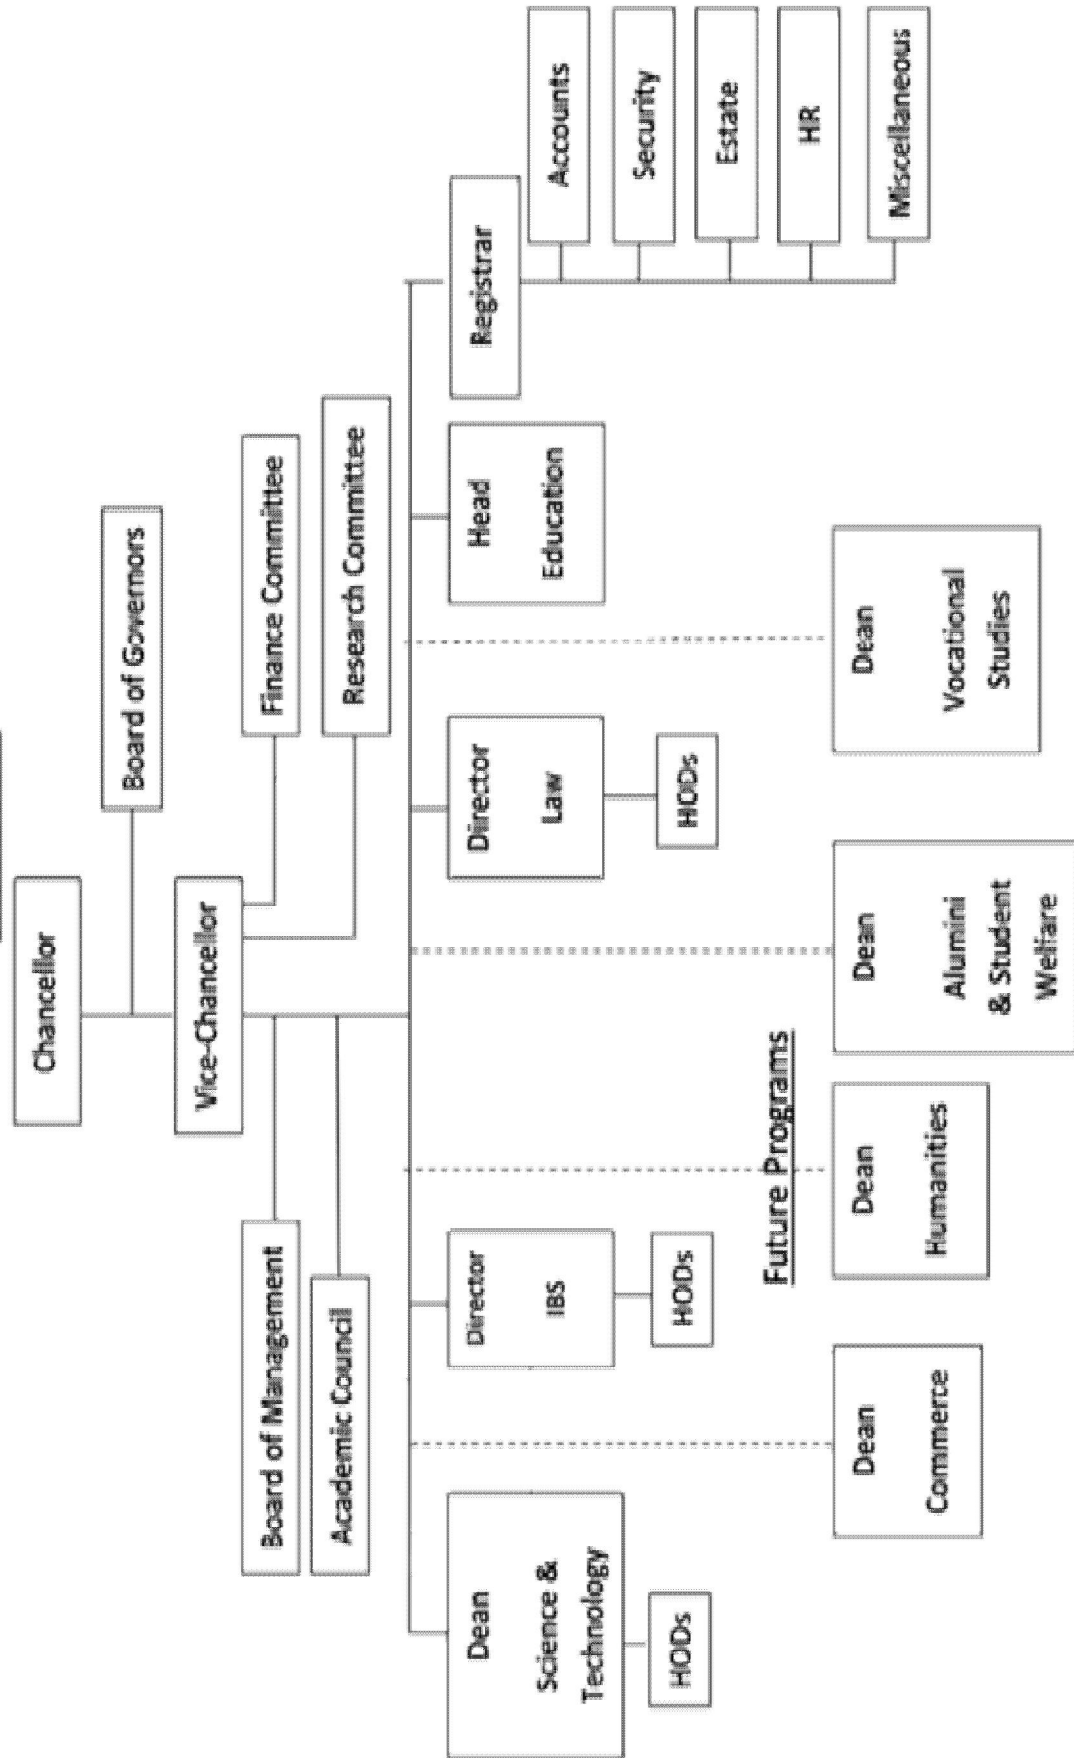

3. Governance

IUD is a professionally managed University established by the Act of the State Government. All the statutory bodies are constituted in accordance with the Act, Statutes and Rules of the University. The Governing body members are all professionals and are not related to the Chancellor or Chairman of the sponsor Society. They meet regularly to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to

be developed, human resources, staff recruitment, training and development and financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines given for their implementation with the objective of achieving academic excellence. The organizational structure of the University is presented here.

ICFAI UNIVERSITY, DEHRADUN
ORGANOGRAM

Officers of the University

i Chancellor

Dr. M.Ramachandran IAS (Retd.) M.A.(Eco), Ph.D.
Ex-Secretary, Ministry of Urban Development,
Govt. of India, New Delhi.
Ex-Chief Secretary, Govt. of Uttarakhand, Dehradun.

ii. Vice Chancellor

Dr. Suresh C. Deorani IAS (Retd.) M.Sc.
(Physics), Ph.D. (Allahabad), A.I.F.C.
Ex-Principal Secretary, Govt. of Nagaland Ex-
Chairman, State Urban Development Agency. Ex-
Chairman, Nagaland Pollution Control Board. Ex-
Chairman, Nagaland Science and Technology
Council. Ex-Vice Chairman, Development Authority,
Nagaland. Ex- Principal Chief Conservator of Forests.

iii. Registrar

Prof. Prafulla K. Dash, MA (Political Science;
Allahabad University), MBA- European
University. Ex-GM, State Bank of India. Ex-
Professor, IBS Kolkata. Ex-Dean, IBS
Bhubaneshwar Dean, IBS Dehradun

iv. Finance Officer

Mr. BVSMSN Murthy

Authorities of the University

The major decision-making authorities are:

1. **Board of Governors:** The Board of governors is the principle governing authority of the University, of which the Chancellor is the chairman. All the other members are persons of eminence and high reputation in their discipline.
2. **Board of Management:** The Board of Management is the principle executive body vested with the power to manage and administer all affairs including revenue and properties, as well as administration of the University.
3. **Academic Council:** The Academic Council is the principal academic body responsible for maintaining standards of education in teaching, training and research, and examinations of the University.
4. **Finance Committee:** The Finance Committee monitors all financial matters and advises the Board of Management on effective financial Management of the University.
5. **Research Committee:** The Research committee is the principle body of the University dealing with all matters related to Ph.D. programs across all disciplines.

Members of the University Authorities:

I. Board of Governors

The Board of Governors shall meet at least three times a year.

1	Chancellor- Chairman	Dr. M. Ramachandran
2	Vice Chancellor-Member Secretary	Dr. S.C. Deorani
3	Principal Secretary/ Secretary of the State Government in Higher Education	Principal Secretary, Higher Education, Govt. of Uttarakhand
4	Three persons nominated by the ICFAI, Hyderabad	1. Prof. R.P.Kaushik Ex-Indian Ambassador, Turkemenistan Ex-Prof. JNU, New Delhi 2. Dr. J.Mahender Reddy Vice Chancellor, IFHE, Hyderabad 3. Dr. T.R.K. Rao Director, ICFAI, Hyderabad
5	A Nominee of the UGC	Nomination Awaited
6	Two eminent educationists and academician, out of whom at least one should be a woman, nominated by the visitor	1. Prof. Ehsanul Haq, Ex Prof. JNU, New Delhi 2. Dr. Meenakshi Gopinath Principal , LSR, New Delhi
7	Two academicians, out of whom at least one will be a woman, nominated by the Chancellor	1. Prof. Rupa Shah Ex-VC, SNDT University, Mumbai Director, International Knowledge Park Pvt. Ltd., Mumbai 2. Dr. G.P. Srivastava Vice Chancellor, ICFAI University, Jaipur

II. Board of Management

The Board of Management shall meet at least four times a year.

1	Vice Chancellor- Chairman	Dr. S.C. Deorani
2	Registrar	Prof. P.K.Dash
3	Four persons, Nominated by ICFAI, Hyderabad	1. Prof. R.Prasad , Director, ICFAI, Hyderabad 2. Mr. Vedantam Ravi, Director, ICFAI, Hyderabad 3. Dr. A.H.Kalro, Director, AES PGIBM, Ahmedabad 4. Mr. K. Sudhakar Rao, Director, Branding & Communications, ICFAI, Hyderabad
4	Two Deans of the faculties as nominated by the Chancellor	1. Dr. R.C. Ramola, Dean, Faculty of Science & Technology, IUD 2. Dr. B.Kumar, Director, Faculty of Law, Dehradun
5	Principal Secretary/ Secretary of the State Government in Higher Education	Principal Secretary, Higher Education, Govt. of Uttarakhand

III. Academic Council (as per UGC Regulation, 2010)

The Academic Council shall meet as often as may be necessary but not less than three times during an academic year.

1	Vice Chancellor- Chairman	Dr. S.C. Deorani
2	Deans of all the Faculties	1. Dr. B. Kumar, Director, Faculty of Law- IUD 2. Dr. R.C. Ramola, Dean, Faculty of Science and Technology-IUD
3.	Four outside experts nominated by the Chancellor	1. Justice K.D.Shahi, Retd. Judge, High Court, Allahabad 2. Dr. Devendra Juyal, Director, IRDE (DRDO), Dehradun, Ex-Member, Uttarakhand Public Service Commission, Dehradun 3. Prof. D.C.Thapliyal, Ex-Registrar, G.B. Pant University, Ex-Registrar, Doon University 4. Dr. M.V. Kartikeyan, Head-Electronics & Communication Engineering, IIT, Roorkee
4	Registrar- Secretary	Prof. P.K.Dash

IV. Finance Committee (As per UGC Regulation, 2010)

The Finance Committee shall meet as often as necessary.

1	Vice-Chancellor- Chairman	Dr. S.C. Deorani
2	Registrar- Secretary	Prof. P.K.Dash
3	Finance Officer	Mr. BVSRRMSN Murthy
4	Principal Secretary/ Secretary of the State Government in Higher Education	Principal Secretary, Higher Education, Govt. of Uttarakhand
5	One Nominee of the sponsor	Prof. C.V. Kumar

V. Research Committee

1	Dr. S.C. Deorani	Chairman
2	Prof. P.K.Dash	Secretary
3	Prof. Y.K. Bhushan, Senior Advisor, Hiranandani Knowledge Park, Mumbai	Member
4	Dr. G.P. Srivastava, Vice Chancellor, ICFAI University Jaipur	Member
5	Dr. A.K. Rao, Former Prof. IBS Business School, Hyderabad	Member
6	Dr. Abad Ahmed, Ex.Pro-Vice Chancellor, Delhi University	Member
7	Dr. B. Kumar, Director, Faculty of Law, IUD	Member
8	Dr. R.C. Ramola, Dean, Faculty of Science and Technology	Member
9	Dr. Abhay Kumar Tiwari, Co-ordinator, Research	Member

4. Campus and Infrastructure

The University has a lush green campus spread over 25 acres at Selaqui, Dehradun. It has around 2.3 lacs sq. ft. of built-up area with academic blocks, workshops, laboratories, faculty rooms, auditorium, seminar halls, computer labs with computing facility, library, canteen, sports and recreation facilities. The campus also provides latest teaching aids and is wi-fi enabled. IUD is being widely recognized as an institution devoted to quality research and teaching. IUD gives utmost importance to Industry-University interface.

The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting and publishing and developing a new cadre of professionals with a high level of competence and deep sense of ethics and commitment to the code of professional conduct.

A number of full time campus based educational programs are offered in Management, Science and Technology, Education and Law at Bachelor, Master and at Ph.D. level.

4.1 Library Facilities

The University has a well stocked library containing reference materials, Indian and international books and magazines. Subscription to industry information database ensures that extensive research resource and publication with search facilities are available to students and faculties. In addition, the library contains directories, industry reports and statistical compilations that provide timely and concise information or project work. The library facilities are open to all students and faculty members and are continuously updated with the latest books and journals.

The Library consists of the Following:

Category	As on 31.03.2013	Added during the period under report	As on 31.03.2014
Books	23,601	578	24,179
Journals	29	33	62
Magazines	26	07	33
Newspapers	07	02	09
CD/DVD	2501	15	2516

4.2 IT Infrastructure

IT facilities: IUD emphasizes on the use of IT for teaching and in its operations. Consequently, it has deployed modern IT hardware and software on campus. Keeping the rapid obsolescence in IT hardware, software, and technologies in mind, IUD constantly upgrades its IT infrastructure. The IUD campus has added one computer lab which is used for ANSYS & Pro-E software. The faculty uses the computing facilities for teaching and research, while the staff uses IT for enhancing the productivity of their operations and providing superior services to the students, faculty, and other staff members. The computers on the IUD campus are networked and have e-mail and Intranet facilities. The computers provided to the faculty and staff have been provided with standard office productivity software and antivirus.

Intranet: IUD, with its Wi-Fi enabled campus, uses IT for planning and dissemination of information. In the last few months, it has developed an Intranet for organizing its operations more effectively and efficiently. It helps provide better services to students and better utilization of the university resources.

Computing Facilities: The University has more than 350 Personal computers —with Pentium Core i5, Core 2 Duo, AMD Athlon and dual core processors — and servers of IBM, HCL & SUN make. The other hardware in the computer centers of the IUD campus includes CD Writers, Data Modems, Scanners, Network Printers, and LaserJet Printers. The operating systems used on the IUD campus are Windows 7, Windows 2003, Windows XP, Windows 2000 Professional, Red Hat Linux 6.5, and Solaris. The application software available on the IUD campus includes Office XP, Office 2003, Office 2007, Acrobat Reader 6.0, WinZip 8.0, FrontPage 2003, Turbo c/c+ +, JAVA 2.0, Visual Basic 6.0, Oracle 10g server and client, SQL Server and client, IBM DB2, IBM web sphere, Adobe Photo Shop, Adobe Page Maker, Macro Media Flash, Oracle ERP application server, Tally, and Focus. IUD also has statistical/simulation software tools like SPSS which students and faculty are using for their research and analysis work. Students, faculty, and staff are given access to the computing facilities.

New Technology Infrastructure: The University has Wi-Fi connectivity on the campus. Students have the option of using the internet access anywhere on the campus. The IT labs are equipped with the latest software and hardware. The university has 15 Mbps internet bandwidth for the use of students, faculty and staff. The internet facility has been provided to all the students for their academic and research work. Computers are provided to all the teaching staff in their rooms. This year, 82 Lenovo desktops (Processor: core i5, RAM: 4GB, HDD: 500GB) with the latest software were procured for the IT Lab, faculty, and staff. 155 desktops were upgraded and the Wi-Fi connectivity too was upgraded with improved bandwidth.

Photocopying and Printing Facilities: IUD provides photocopying and printing facilities both for the students and for the faculty & staff. A separate facility is provided for the students within the IUD campus. Similarly, students and the faculty also have access to document scanning and CD writing facilities.

4.3 Health Centre

First Aid room and one ambulance are functional at the campus. A medical practitioner visits the University regularly and remains available thrice a week. During 2013-14 more than seven hundred students and staff visited the health centre.

4.4 Placement Cell

Full time placement cells is in place to look after the placement activities and summer internship programs of the students across all disciplines.

4.5 Sports and Recreational Facilities

Indoor and some outdoor facilities for sports and recreation are available. These activities help the students to lead a balanced life style and simultaneously enhance the leadership skills and team work of the students.

4.6 Virtual Reality Tour

Branding & Communications Department of ICFAI Group has arranged to develop a Virtual Reality 360° walk through of campus. The team undertook several sessions of pictures shooting of the campus and students. The link is now available and the visitors of

the University website would be able to virtually take a tour of the campus from the website.

4.7 Ph.D. Program

Three students were awarded Ph.D. during the academic year 2013-14, as mentioned in Table-A.

Table A: Ph.D. Awardee

S.No.	Name of Student	Degree	University (Year)	Ph. D. Status
1.	Vikas Gautam	M. Phil MBA B. Sc. UGC-NET	ICFAI University Tripura (2009) P. T. University, Jalandhar (2008) H. P. University Shimla (1998) UGC Delhi (2012)	Ph.D. Thesis Awarded (May, 2013)
2.	Mukund Kumar	M. Phil M.A. (Economics) B.A. UGC-NET	ICFAI University Tripura (2009) BRABU Muzafferpur (2007) BRABU Muzafferpur (2004) UGC Delhi (2012)	Ph.D. Thesis Awarded (Oct, 2013)
3.	Anubhav Anand Mishra	M. Phil M. Com. B. Com. UGC-NET	ICFAI University Tripura (2009) Ranchi University, Ranchi (2007) Ranchi University, Ranchi (2005) UGC Delhi (2012)	Ph.D. Thesis Awarded (Dec, 2013)

Usually, on an average as per our past records, at the time of submission of thesis by the Research Scholars about 6-7 research papers are published in National / international journals.

TABLE B : Details of Registered Research Scholars.

S. No.	Name & Qualification of Student	Month & Year of Registration	Title of Thesis	Details of Supervisor	Month & Year of Ph. D. Thesis Submission	Ph. D. Status
1.	Pratyush Banerjee PGDM	Jan, 2009	Factors Affecting Urban Indian Job Seekers Perceptions Towards Online Job Advertisements	Dr. Abhay Kumar Tiwari Faculty Member, IBS Business School, ICFAI University Dehardun	March, 2014	Ph.D. Thesis Submitted
2.	Suresh K.G. M. Phil	Dec, 2009	South-South and South-North Trade: A Comparative Analysis from Indian Perspective	Dr. Neeraj Aswal Faculty Member, Faculty of Science & Technology, ICFAI University Dehardun	March, 2014	Ph.D. Thesis Submitted
3.	Sunny Bose MBA	Jan, 2009	Branding 'West Bengal': Antecedents and consequences of place branding strategies with respect to destination branding, public diplomacy and regional identity	Dr. Abhay Kumar Tiwari Faculty Member, IBS Business School, ICFAI University Dehardun	May, 2014	Ph.D. Thesis Submitted
4.	Niraj K. Chimote M. Phil	April, 2010	Work-life balance: Managing conflicts and maintaining quality among the employees of call centres, IT companies and private banks in Gurgaon			Ph.D. Thesis Submitted
5.	Ankita Srivastava M. Phil	April, 2010	Indian Currency Market with reference to Future Contracts	Dr. Manisha Singh Faculty Member, IBS Business School Gurgaon	Not Submitted	Thesis Proposal defended.
6.	Saurabh Bhattacharya MBA	Aug, 2007	Reference price usage: Segmentation of the organized retail consumers and integrating antecedents and consequences	Dr. V K Satyaprasad, IBS Business School, IFHE Hyderabad	Jan, 2014	PhD Thesis successfully defended on 10th April 2014

7.	Vaibhav Sekhar MBA	Aug, 2007	Linking Service Convenience and Customer Citizenship Behaviour: An Empirical Investigation in the Context of Indian Retail Services		April, 2014	Ph.D. Thesis successfully defended
8.	Shailendra Singh Bisht M Sc. Sociology	Aug, 2003	A Service acceptance model for consumers of new health care service	Prof. Pradeep Krishnatray, IFHE Hyderabad	NA	Thesis Proposal defended
9.	Sharon K. Jose PGDM	Jan, 2004	A Study of Mean Reversion in Indian Commodities Market	Dr. Sikha Ojha, Jain University Bangalore	April, 2014	Ph.D. Thesis Submitted
10.	A. Lakshminarasimha PGDM	2007	A Study on the Relationship Between Empowerment, Collaboration and Selected Outcomes in a Supply Chain	Dr. Sindhuja P. N IBS Busines School, IFHE Hyderabad	NA	Thesis Proposal defended
11.	R. Harish PGDM	June, 2006	NA	NA	NA	Completed Ph. D. Qualifying Exam
12.	J. Venkatraman MBA (Operations Management)	July, 2005	NA	NA	NA	Completed Ph. D. Qualifying Exam
13.	Harshavardhan Kothari MMS (Five Year Integrated Course)	Aug, 2007	Study of Self Efficacy, Empowerment and Organization Climate as Determinants of Employee Engagement: A comparative Study of IT and Manufacturing Industries in NCR	Dr. Sombala Ningthoujam, Faculty Member, IBS Business School Gurgaon	NA	Thesis Proposal defended.

Table C: Details of Research Scholars (Registered in 2014)

On the basis of entrance test and GDPI held during the month of February, 2014, following research scholars were selected and registered to Ph.D. program of the University, under different faculties. The title of their thesis and appointment of their respective supervisor / guide are under process. The details are given below:

Faculty: IBS			
Sl. No.	Name of Student	Degree	University (Year)
1	Abhay Parashar	PGDBM BBA	WELINGKAR, Institute of Mgt Development & Research (2007) Amity University (2005)
2	Cheshta Chauhan	MBA BBA	UPES, Dehradun (2012) H. N. B. Garhwal University (2010)
3	Deepak Bangwal	MBA B H M G T	UTU, Dehradun (2012) H. N. B. Garhwal University (2009)
4	Laxman Singh	MBA B. Com.	IAIT Sikkim Manipal University (2009) H. N. B. Garhwal University (1997)
5	Parveen Kumar	M.A. (Economics) B. A.	H. P. University (2009) H. P. University (2006)
6	Pooja Ahlawat	MBA BBA	UTU, Dehradun (2011) H. N. B. Garhwal University (2009)
7	Pranav Anuj Sharma	PGDBM BBA	WELINGKAR, Institute of Mgt Development & Research (2008) Apeejay Institute Of Management & Technology, New Delhi (2004)
8	Raghvendra Kumar Sharma	MBA LLB B.Sc.	Sikkim Manipal University (2010) Dr. B R A University, Agra (2002) Dr. B R A University, Agra (1997)
9	Sanjeev Malaviya	MBA B. Sc.	Rohilkhand University (1995) Rohilkhand University (1993)

5. Faculties and Programs

5.1 IBS Business School

IBS Business School is committed to provide quality education and training in the field of management. The IBS faculty aim at providing higher quality value based career oriented education to the students in terms of market needs.

IBS students are closely involved in all forms of industry interface and gain hands-on experience, which leads to a more correct understanding of management concepts and practices. They are encouraged to organize seminars, management meets and workshops which develop managerial and organizing skills in them so that they can become tomorrow's business leaders.

IBS believes in creating opportunities for its students to apply academic knowledge to real-life scenarios. All students are required to take up Summer Internship Program (SIP) at reputed organizations. Through this, students not only learn more but can also complete a meaningful value added project for the company which may lead to final placements.

Career Management Center at the campus helps the students in sourcing projects. Over the years, IBS has gained extensive corporate support, with the result that summer projects have been diverse, challenging and mutually beneficial to both the students and the corporate.

5.1.2 MBA Program

Summer Internship Program (SIP) : Summer Internship Program (SIP) forms an important component of the MBA Program. It is an attempt to bridge the gap in the student's perception between academics and the corporate world. Under this program, students undertake a 14-week internship at reputed organization during the period between the close of Semester II and the commencement of Semester III. It requires students to undergo the rigors of a professional corporate environment. SIP exposes the students to technical skills and helps them to acquire social skills by bringing them into contact with real professionals. For proper coordination and to ensure smooth conduct of the program, each student is placed under a faculty guide. A representative of the industry/ organization also guides the student and assists the faculty in monitoring the student's progress.

5.2 Faculty of Science and Technology

The faculty comprises competent individuals in all areas of science and engineering with rich experience in academia and industry. At present, there are 38 full-time faculty members. The number of faculty members with Ph.D. and M.Tech/ME/MS qualifications are 9 and 29, respectively.

This academic year, the Faculty of Science and Technology contributed 4 research papers in national and international journals. The faculty members of FST presented 3 papers at conferences. Faculty members are engaged in research broadly in the areas of Image Processing, Wireless Communications, Power Systems and Fuzzy Logic, Data and Web Mining Techniques, Network Security, Object Oriented Systems and Adaptive Algorithms, Parallel Processing and Real Time Systems, Ferrite Composite Materials, Non Linear Dynamics, Quantum Computations, Mathematical Physics, Semi-conducting Oxide glasses, Organic Synthesis of Molecules of Medicinal Importance, Coordination Chemistry, Semi rings, Algebraic Geometry, Number Theory, Soil Structure Interaction, Slope Stability Problems in Civil Engineering and Robotics, etc.

5.2.1 B.Tech

The Faculty of Science and Technology at ICFAI University, Dehradun offers four-year, eight-semester, full-time campus based B.Tech Program in the Following disciplines.

Civil Engineering:

Department of Civil Engineering has modern laboratories such as Geodesy, Hydraulics, Geotechnical Engineering, and Concrete & Highway Engineering. The laboratories are well equipped and continuously upgraded with modern equipments.

Surveying Laboratory: The surveying lab has all the necessary surveying instruments i.e. chain survey set, compass survey set, plane tabling set, leveling set, Theodolite set, area calculation set etc. Students can learn the techniques for gathering field data with both traditional and modern instruments. There are two surveying labs - surveying lab-1 and surveying lab-2. 50 students of B.Tech IIInd Year (Civil Engg. Branch) used surveying labs.

Hydraulics and hydraulic machine Laboratory: The hydraulics lab is equipped with combined pumps, piping, and tanks setup, to impart

hands-on experience and knowledge to students with regard to flow of water under different conditions. 75 students of B.Tech IIIrd year (Civil Engg. and Mechanical Engg. Branch) utilized these facilities.

Geotechnical Laboratory: The major equipments are Direct Shear, CBR, Casagrande's Apparatus and Tri Axial Compression Test apparatus etc. Equipments are used for the engineering classification of soil, studying the compaction properties of soil and measuring the permeability, compressibility, and strength of soils. 25 students of B.Tech IIIrd year (Civil Engg.) used this lab.

Concrete Laboratory: The Laboratory is equipped to run standard tests on cement, aggregates, and concrete. Equipments available are meant for testing properties of concrete i.e. workability, strength, modulus of elasticity and shrinkage etc.. It provides the facility to measure aggregate properties as they affect mixture proportioning. The lab includes the facility on cement test i.e. setting time, fineness and soundness test etc. 25 students of B.Tech IIIrd year (Civil Engg.) used this lab.

Transportation Laboratory: The major equipments are Benkelman Beam, Marshal Stability Test and Ring Ball test apparatus etc. Equipment are used for conducting field and laboratory Tests on sub grade, aggregates, bituminous materials and bituminous mixes. 60 students of B.Tech IIIrd year (Mechanical Engg.) used this lab.

Computer Science and Engineering:

The Department has well equipped computer laboratories containing sufficient number of computers to conduct lab sessions. The computers are dual boot (Windows/Linux) systems and all are connected to servers. These labs mainly cater to the needs of OOP's, JAVA, PL/SQL and .NET programming needs of the students.

Specialized Computer Laboratory: There are 39 computers in this lab. Configuration of the computers is Processor-Core 2 Duo, RAM-2GB, HDD-320GB. Hands-on learning expertise is provided by allowing students to work on system programs that implement the concept learned in lectures and primary text reading. This contains key operating system and system programming concept for Unix/ Linux and Window XP/2000. 78 students of B.Tech Ist year, 30 students of B.Tech IInd year and 67 students of B.Tech IVth year used this lab for their programming language courses.

The labs uses MySQL, SQL server 2005, Oracle10g, etc, as Database software, C/C++, java programming language compiler, Matlab etc and Linux/Unix, Window XP/Window2000 etc. as operating system. Advance software such as Visual Studio, Eclipse, and Netbeans etc. are also used.

Electronics and Communication Engineering:

The Electronics and Communication Department has laboratories in the areas of Basic Electronics, Microprocessors and Microcontrollers, RF & Microwave Engineering, VLSI CAD, Communication Systems, Digital Electronics, Electronic Devices and Circuits and Digital Signal Processing etc. Software tools as Matlab, Tanner tools and Cadence etc., are used.

VLSI-CAD Lab: The VLSI-CAD lab is a state-of-the art laboratory and is equipped with the latest versions of EDA software tools both in the front end (FPGA advantage and Xilinx ISE Foundation series) and

the back end (Tanner Tools Pro Complete package). 140 students of B.Tech IVth year (Electronics Engg. Branch) used this lab.

Microprocessor & Microcontroller: The Microprocessor & Microcontroller Lab is equipped with 8086, 8051 / 89C51 and PIC

controller trainers, various interface cards, 8051, PIC 16F877A Development tool kit compiler software along with application cards like ADS, DAC, Stepper Motor control and Elevator. This facilitates students to develop and pursue projects in research areas, like Avionics, Robotics and embedded systems. 140 students of B.Tech IVth year (Electronics Engg. Branch) used this lab.

Digital Signal Processing Lab: The Digital Signal Processing Lab is equipped with software and hardware facilities like C Compiler, Simulator and Code generation tools of TMS320CXX, Code Composer Studio of C54X and the C62X Simulation software, like Matlab. There are 22 computers in this lab. Hardware Configuration of Computers is Processor-Core 2 Duo, RAM-2GB, HDD-320 GB. In DSP lab students work with efficient and high speed application specific processors which also promotes research at the institute and facilitates industrial collaboration in research areas, like Real-time motor control, digital-audio and imaging, etc. 28 students of B.Tech IIIrd year (Electronics Engg. Branch) used this lab.

Communication System Laboratory: The Communication System laboratory is well equipped with all the basic kit as needed in analog and digital communication. This includes modulator and demodulator kits as used in various analog and digital applications. The application included voice, data, telephone and mobile communication. The lab has also Fiber optic analog transmitter

and receiver kit, Fiber optic analog and digital modulation and demodulation kit, Fiber optic advance digital communication kit, Laser diode and glass Fiber kit to carry out large number of experiments. 28 students of B.Tech IIIrd year (Electronics Engg. Branch) used this lab.

RF & Microwave Engineering Lab: RF & Microwave engineering laboratory is equipped to make measurements of power, frequency,

SWR, return and insertion loss, etc. It also contains benches in X-band and antenna measurement equipment. 28 students of B.Tech IIIrd year (Electronics Engg. Branch) used this lab.

Robotics Lab: Robotics lab is equipped to conduct research in Analytical Intelligence, Control and Development of robotics systems. The lab includes Boe-Bot test beds with several accessories to conduct experiments in areas of control, navigation, sensing, robovision, etc. The versatile, accurate 5 axis robot arm helps the students understand the actuation mechanisms, robot control, path planning, robot programming through the experimental and demo sessions. 40 students of B.Tech IVth year (Electronics Engg. Branch) used this lab.

Mechanical Engineering

CAD/CAM Lab: The department has advanced facilities in the field of Computer Aided Design & Computer Aided Manufacturing (CAD/ CAM), acquiring expertise to facilitate students to interact with the new CAD/CAM Tools like ANSYS, Pro-E and Cadian. There are 35 computers in this lab. Configuration of the computers is Processor-Core i5, RAM-4GB, HDD-500GB. 50 students of B.Tech IIIrd year (Mechanical Engg. Branch) used this lab.

Workshop: Workshop contains various Machine Tools and equipments like CNC Lathe, CNC Milling along with Lathe, Shaper and Planer Machines which supports hands on training in various areas of workshop practice. 78 students of B.Tech Ist year used this lab.

Production Technique Lab: Production Technique lab is equipped with Crucible Furnace, Hand Press, Blow Furnace, TIG/MIG Welding, Resistance Spot Welding, Arc and Gas Welding set up and Blow Molding Machine. 50 students of B.Tech IIIrd year (Mechanical Engg. Branch) used this lab.

Mechanical Measurements Lab: Students carry out experiments in Mechanical Measurements Lab and acquire expertise in handling

Redwood Viscometer, Hardness Tester, Sand Testing Machine, Reynolds's Set-up, Bernoulli's Set-up, Orifice Meter, Elbow Meter, Rota meter and Pitot tube. 118 students of B.Tech IIInd year used this lab.

Machine Drawing Lab: 40 students of B.Tech IIInd year (Mechanical Branch) used this lab.

Refrigeration & Air Conditioning Lab: 120 students of B.Tech IVth year used this lab.

Automobile & Internal Combustion Engine Lab: 120 student of B.Tech IVth year (Mechanical Branch) used this lab.

5.3 Faculty of law (FoL)

The FoL facilitates its students to explore their intellectual potential and encourages their professional development through a fine blend of career oriented courses and compulsory internships with eminent lawyers, Law Firms, MNCs, PSUs, NGOs, International Organizations, etc. The courses are thus designed to impart legal knowledge and skills, both theoretical and practical to the students to make them leaders in their professional life.

5.3.1 BBA-LL.B (HONS.)

The Faculty of Law offers the BBA-LLB (Hons.) Program, a 5-year Integrated Course approved by the Bar Council of India. The Faculty of Law aims to impart inter-disciplinary knowledge through more than 60 different courses spread over ten semesters, gradually moving towards Law courses from Management Courses. Additionally, it also has five legal Internships running into four weeks each continuously as per the mandate of the Bar Council of India.

The batch wise student strength during academic year 2013-14 are presented here:

BBA-LL.B (Hons.) Enrollment	
Batch	Number of Students
2009-14	20
2010-15	35
2011-16	88
2012-17	102
2013-18	95
Total	340

5.3.2 Resources and

Facilities Library

Apart from the Centralized Library of the University, IUD has a dedicated Law Library. This Library is fully computerized along with internet facilities. The law library has up-to-date volumes of All India Reports, Criminal Law Journal, Taxation Law Reporter, Consumer Protection Reporter, Current Civil Cases, All Indian Rent Control, Supreme Court Cases (Weekly), Supreme Court Cases (Criminal), Supreme Court Cases (Labour), Indian Bar Review, Yale Law Journal, Harvard Law Review, International & Comparative Law Quarterly, Cambridge Law Journal and other publications. The library also provides online legal resources such as Manupatra and EBSCO, etc.

During the year under report 578 Books, 33 Journals, 7 Magazines, 2 Newspapers and 11 CDs/DVDs were added.

Guest Lectures

Guest Lectures play an important role in enhancing knowledge base of the students. Following are the guest lectures that were organized during academic year 2013-14.

1. Special Session by Adv. Rajan Narain [Advocate on Record], Supreme Court, Delhi on the Topic "Future Of Law Students with special reference to Constitutional Law and Corporate Law." September 2013.
2. Special Session by Mr. Rohan Dalal, MD, Mind Crest (India) Pvt. Ltd. Pune on the Topic "Future of Employees working in LPO Sector." February 2014.
3. Special Session by Prof. Haragopal Reddy, Senior Advisor, ICFAI Society & Ex. Vice Chancellor of Nagarjuna University on 15th April 2014.

Moot Courts

Moot Court activity, part of clinical legal training, equips the students to gain practical experience, improve analytical reasoning, legal aptitude, and presentation and communication skills. The students of FoL, IUD participated in Following moot courts:

S. No	Name of the Student	Organised By	Date, Month & Year
1.	1.Upmanyu Bhaumik, 3rd Year (1104C00094) 2.Patricia Phillips, 3rd Year (1104C00039) 3. Preeti Joseph, 4th Year (1004C00022)	Hidayatullah National Law University, Raipur, C.G	18 th to 20th of Oct 2013
2.	1.Upmanyu Bhaumik, 3rd Year (1104C00094) 2.Patricia Phillips, 3rd Year (1104C00039) 3. Sudhanshu Mahajan; 4th Year (1004C00033)	K.K. Luthra Memorial Moot Court; Faculty of Law, Delhi University	17th to 19th Jan 2014
3.	1.Vivek Singh, 3rd Year (1104C00099) 2.Amit Dadhich, 3rd Year (1104C00007) 3.Sudeep Shukla, 3rd Year (1104C00064)	Amity Law School, Lucknow	Feb 2014
4.	1.Preojee Chatterjee, 3rd Year (1104C00085) 2. Mayank Mehra, 3rd Year (1104C00081) 3. LN Swondariya, 3rd Year (1104C00031)	Institute of Law, Nirma University, Ahmedabad	14th to 16th Feb 2014
5.	1.Rishav Soni, 3rd Year (1104C00051) 2.Shavena Rachael, Meston, 3rd Year (1104C00053) 3.Nakul Nasa, 3rd Year (1104C00035)	Auro University, Surat, Gujarat, India	22 Feb – 24 Feb 2014

Internship

Internship is a vehicle for introducing students to get the professional and practical exposure. Faculty of Law has a clearly defined and structured institutionalized process of internship to link up with the real life situations and of the academic learning. Following is the year wise list of students who went for Legal Internship Program (LIP) in the academic year 2013-14:

Year	Class of	No. of Students completed LIP
I	2013-18	91
II	2012-17	94
III	2011-16	68
IV	2010-15	34
V	2009-14	20

Mentoring Process

Mentoring Process helps students to get confidence, plan the future and understand the expectations of the University. It involves the student in team building and social interactions. It helps to assess the psychological profile of students and help them to achieve attitudinal changes required for today's dynamic professional life. The Faculty in-charge of group conducts relevant psychometric

tests and gives feedback on their strengths, weaknesses, aptitude, and behavioral traits and identifies opportunities for improvement of the students.

5.4 Faculty of Education

Faculty of Education aims at developing a new cadre of teaching professionals through a rigorous full-time program. As a professional institution of teaching, the Faculty of Education has a responsibility to prepare qualified professionals in teaching and academic leadership.

5.4.1 B.Ed.

Faculty of Education has conceived and developed a unique B.Ed. Program to train the teachers to meet the challenges of emerging trends and competitive environment. The curriculum and pedagogy adopted are exploratory and reflective in nature. An applied approach to learning is followed keeping in view the national and international standards of education. Emphasis is given to holistic development of the students to meet the ever-changing demands of education through our one year full-time program. The prospective Teachers receive a unique opportunity by engaging them actively and thoughtfully in the relevant process and issues in education. The purpose of curriculum is to develop the domain of knowledge, teaching skills, IT skills and soft skills within the behavior of the prospective teachers. Students are trained in computer aided learning ambience where they get an opportunity to appreciate the application of IT in school education.

Faculty of Education believes in concentric learning approach that is specifically designed to facilitate 'learning for wisdom and understanding'. The approach adopted aims at imparting intellectual and creative skills to the learners in an integrated and well-processed manner. The educational methodology Followed here is an optimal blend of innovative teaching approaches that strengthen the stance of the learners in the age of mounting competition. It includes the Following:

Intensive Teaching Workshops

Students undergo training in intensive teaching workshops that facilitate minds-on learning in them.

Soft Skills Development

Soft Skills are provided to all students by allotting significant part of its curriculum on soft skills development. This will help them in their overall personality development.

IT Labs

In the age of technological revolution, Faculty of Education realizes the need to train its students on IT skills through its specially designed IT Labs, which are equipped with latest hardware and software infrastructure. Round the clock internet facility is available for the students for continuous search of knowledge.

Seminars

Students are encouraged to take part in seminars on various topics related to education. The faculty evaluates these seminars and provides necessary inputs to the students for further improvement.

Co-curricular Activities

Co-curricular activities (CCA's) are organized every week to promote personal development outside the classroom.

Talk Fests

Faculty of Education has created a niche for itself in imparting quality teacher education program through its Talkfest Program. The objective behind talkfest is to instill a research bent of mind among the students by helping them gain a pragmatic understanding of contemporary pedagogy.

Projects

Faculty of Education believes in promoting hands-on learning among its students through various projects like Teacher Internship Program (TIP), School Management Program (SMP), Action Research Project (ARP), and Case Study.

a. Teacher Internship Program: The Teacher Internship Program (TIP) forms an important component. TIP, which is a simulation of real work environment, requires the student to undergo the rigors of professional environment both in form and substance.

b. School Management Project: School Management Project (SMP) is a program wherein the trainee acquires in-depth knowledge in the management of an educational institution. SMP intends to provide an "On-job-Training" opportunity through involvement in real time project. SMP involves developing strategies to enhance the quality of performance at the existing academic institutions.

Placements

The Faculty of Education gives utmost importance to ensure success to the B.Ed. graduates to achieve suitable placement through campus selection. For achieving success in this area it has developed a strong network with the reputed schools of the region. A strong placement cell works for developing a network by conducting seminars, internships, projects and other initiatives. All pass out graduates of the last five batches have been placed in leading schools of Uttarakhand and other States.

6. Faculty Resources and Support Staff

The University has a pool of faculty with good academic credentials and industry experience. Some of the faculty members have Ph.Ds from reputed universities; some have passed out from IITs. The current faculty strength of the University is 62. The details of faculty strength and their profile are as follows:

6.1 IBS Business School:

S.No.	Name	Degree	University	Year
1	Mr. Prafulla Kumar Dash	MBA MA	European University Allahabad University	1988 1970
2	Dr. Abhay Kumar Tiwari	Ph.D. M.Sc. MBA B.Sc.	Banaras Hindu University Allahabad University Algappa University Allahabad University	2002 1998 2012 1996
3	Dr. Manish Kumar Srivastava	Ph.D. M.Com UGC-NET	DDU Gorakhpur University DDU Gorakhpur University UGC, Delhi	2007 2001 2012
4	Mr. Raghvendra Kumar Sharma	MBA LL.B B.Sc.	Sikkim Manipal University Dr. BR Ambedkar University, Agra Dr. BR Ambedkar University, Agra	2010 2002 1997
5	Mr. Puneet Garg	M.Com MA (Eco.) B.Com PGDCA	HNBGU HNBGU HNBGU MCRD, Bhopal	1998 2004 1996 2001
6	Mr. Sanjeev Malaviya	MBA B.Sc. UGC-NET	Rohilkhand University Rohilkhand University UGC, Delhi	1995 1993 2012
7	Ms. Sonia Gambhir	M.Com CWA CFA MIFA UGC-NET	HNBGU ICWAI ICFAI University ICFAI University UGC, Delhi	2000 2005 2012 2012 2012
8	Dr. Amit Joshi	Ph. D M.Phil MDIT MA (Eng.) MA (Eco.) M.Com B.Ed	Sainath University Vinayak Mission Symbiosis HNBGU HNBGU HNBGU IGNOU	2012 2008 2004 2009 2006 2003 2008
9	Mr. Vidhu Nath Saxena	Master of Information Technology B.Sc	Manipal Academy of Higher Education, Manipal University HNBGU	2003 1978

6.2 Faculty of Science and Technology

S.No.	Name	Degree	University	Year
1	Dr. R C Ramola	Ph.D. MS (ECE) M.Sc	University of Rajasthan BITS, Pilani HNB Gharwal University	1994 1992 1986
2	Dr. Shashikumar K. C.	Ph.D. M.Sc B.Sc	Manglore University. Manglore University Manglore University	2002 1994 1992
3	Dr. Tapan Kumar Mandal	Ph.D. M.Sc B.Sc	IIT Kharakpur University of Burdwan University of Burdwan	1999 1993 1990

4	Dr. Sharad Pandey	Ph.D. M.Sc B.Sc	BHU, Allahabad GB Pant University-Panthnagar GB Pant University-Panthnagar	2003 1999 1997

ICFAI Varsity organises Legal Aid Camp

By OUR STAFF REPORTER

DEHRADUN, 1 May: A Legal Aid Camp was organised by Faculty of Law, ICFAI Varsity Dehradun under the aegis of the District Legal Services Authority (DLASA) at the Panchsari Bazaar, Rajpurwala Village in Dehradun. The camp was organised with the objective of providing free legal aid as well as create legal awareness amongst the rural people.

The camp was attended by Justice Rajesh Srivastava, former Chairperson of the Uttarakhand Human Rights Commission and former judge of the National High Court, who was the Chief Guest, SC Bhatia, former State General Secretary of the Congress, Prof. B S Singh, Professor of Law, ICFAI Varsity and Prof. B K Sharma, Director of Faculty of Law, ICFAI Varsity, who were the main speakers. Justice Srivastava spoke on the importance of legal education and changing trends relating to legal education. He also emphasised on the need to bring generic and professional courses before the student body.

A large number of legal members of local bar were also present at the camp. A large number of legal members of local bar were also present at the camp.

ICFAI varsity holds special session

TRIBUNE NEWS SERVICE

DEHRADUN, December 10: The Faculty of Law, ICFAI University, Dehradun, held a pre-placement session and a special lecture with Rajan Narain, Advocate on Record, Supreme Court of India, here yesterday.

Rajan Narain enlightened the students of first year to first year on career building. The main topic of his talk was "Building up of career with special reference to constitutional law". He discussed many important issues. The lecture session was followed by an interactive session.

Some of the questions asked were regarding the conflict between the right to equality and reservations in certain special categories under the Indian Constitution. Students also asked questions relating to career options in litigation, LCOs, MNCs, the Armed Forces, Company Secretary etc. The guest emphasised the importance of litigation and why it should be preferred over the high-paid office jobs.

The interactive session was followed by an interview of first year students for placement and for other students for internships. Rajan Narayan stressed on developing soft skills and keeping oneself abreast with the changes in the legal field. Dr B K Sharma, Director, Faculty of Law, welcomed Narain.

IBS Business School launches IBSAT kit for MBA admissions

PNS IN DEHRADUN

IBS Business School, part of ICFEAT group, has notified IBSAT 2013 kit for admissions into MBA/PGPM programme 2014-2016 on Tuesday. ICFEAT University, Dehradun Vice-Chancellor Dr SC Deyward released the kit which contains detailed general and admissions related information about all IBS campuses.

The kit is a computer based test, being conducted at 100 test centers across India. The test gives the applicants a single window opportunity to apply to nine IBS campuses. IBS Business School marketing regional manager Jatin Tandon said that applicants interested in applying to IBS can register online at website of IBS India (www.ibsindia.org).

The sale of IBSAT 2013 brochures has begun. The brochure can be bought from 2:40 AM onwards, branches and 50 IBS marketing offices across India. The last date for registration is December 10, 2013. The results will be announced on January 20, 2014 and the selection test will be held from February 3, 2014. Qualified candidates will be called for participation in the selection process that will be held between February 18-26, 2014 at IBS, Hyderabad. Admissions are based on IBSAT 2013 and selection process GMAT scores. Other
