

## Celebration of World Ozone Day – September 16, 2017

World Ozone Day has been celebrated on September 16<sup>th</sup> every Year to spread awareness of the depletion of the Ozone Layer and search for solutions to preserve it. It is marked as an international day for saving Ozone layer. On this day, Students of IEDS-IUD prepared posters and had a Group discussion focusing the ozone's importance in protecting the environment and how it can be protected by our efforts.
