

Micro and Macro teaching Sessions

Micro and Macro teaching sessions are held on every Friday to provide a practical platform to the students for teaching. Various skills such as Introduction, Explanation, Questioning & Answering, Reinforcement, Stimulus Variation, Classroom Management, Use of Black board, Teaching Aids etc are taught through Micro teaching Sessions. Students are required to teach a small group of students for a short span of time. Microteaching and Simulated Social Skill Teaching go on simultaneously. Macro Teaching Session is a combination of all Micro Teaching skills
