Faculty Development Program (FDP)

EMPOWERING EDUCATORS FOR EFFECTIVE TEACHING AND LEARNING

The ICFAI University, Dehradun

The ICFAI University, Dehradun, Uttarakhand (hereinafter referred to as the University) was established under The ICFAI University Act 2003 (Act No. 16 of 2003) passed by the Uttaranchal Legislative Assembly and assented to by the Governor on July 08, 2003.

The ICFAI University, Dehradun ranked:

- 24th across India and its positioning in the 'Diamond BAND' Institution of Prominence category by Outcome Based Education (OBE) Rankings 2024.
- 1501+ band in the overall ranking of 2,152 universities from 125 countries/regions in the global performance against the United Nations Sustainable Development Goals (SDGs) by The Times Higher Education Impact Rankings 2024.

The University has demonstrated significant impact in several key areas, including Goal 1: No Poverty, Goal 4: Quality Education, Goal 5: Gender Equality, and Goal 17: Partnership for the Goals

About ICFAI Education School

ICFAI Education School (IEdS), a part of The ICFAI University, Dehradun, is committed to preparing competent educators equipped with innovative teaching methodologies. The school aims to integrate modern pedagogical approaches with a strong foundation in research and educational technology.

About the Faculty Development Program (FDP)

This 5 Day Faculty Development Program (FDP) aims to equip educators with innovative teaching strategies, digital tools, research methodologies, and professional development skills to enhance their effectiveness in the classroom.

Objectives of FDP

- Enhance the pedagogical skills of teacher educators.
- Introduce innovative teaching methodologies and strategies.
- Foster digital literacy and technology integration in teaching.
- Promote research-based practices in teacher education.
- Facilitate the professional growth and development of faculty members.

Key Highlights

- Sessions by renowned education and research experts.
- Hands-on workshops and interactive discussions.
- Exposure to modern educational tools and teaching platforms.
- Networking opportunities with academic professionals.

Program Schedule with Hands-On Practices

			Prof. (Dr.) Ram Karan Singh, <i>Vice Chancellor, The ICFAI University, Dehradun</i>	

Resource Persons

Prof. Savita Rawat

Expert in Pedagogical Innovations

D.A.V. (PG) College, Dehradun, Uttarakhand

Prof. Dr. Savita Rawat is a recognized expert in pedagogical innovations, particularly focusing on active learning, flipped classrooms, and constructivist teaching methods. She has vast experience in curriculum development and has been a pioneer in transforming traditional teaching models through innovative pedagogical practices.

Dr. Ratan Sarkar

Technology Integration Specialist

Department of Teachers' Training (B.Ed.) Prabhat Kumar College,
Vidyasagar University, Purba Medinipur, WB

Dr. Ratan Sarkar specializes in the integration of digital tools and technology in education, helping institutions adapt to e-learning platforms, virtual classrooms, and digital assessment tools. His expertise includes Google Classroom, Kahoot, and Mentimeter to enhance teaching outcomes.

Dr. Meena Bhandari

Educational Researcher

Dean, ICFAI Education School, The ICFAI University, Dehradun

Dr. Meena Bhandari is an educational researcher with expertise in both qualitative and quantitative research methodologies. As the Dean of ICFAI Education School, she focuses on bridging the gap between research and practical teaching strategies, contributing to the professional development of educators.

Mr. Sourav Kumar Mitra

Communication & Soft Skills Trainer

Shri Venkateshwara University, Rajabpur, NH-24, Venkateshwara Nagar, U P

Mr. Sourav Kumar Mitra specializes in communication and soft skills training, with a focus on public speaking, teacher-student interaction, and conflict resolution. His workshops aim to improve interpersonal communication and emotional intelligence among educators. Mr. Sourav Kumar Mitra specializes in communication and soft skills training, with a focus on public speaking, teacher-student interaction, and conflict resolution. His workshops aim to improve interpersonal communication and emotional intelligence among educators.

Prof. C.D. Agashe

Psychologist & Faculty Well-being Expert

Director, Institute of Teachers Education, Pt. Ravishankar Shukla,
University, Raipur, CG

Prof. C.D. Agashe is a psychologist specializing in faculty well-being, stress management, and work-life balance. He designs programs for educators to improve their mental health and emotional well-being, offering tools for resilience and self-care.
