Licensing Operations

- A** : Activate Your License
- V** : Reactivate Your Existing License
- I** : Get a Rental License
- C** : Configure Existing License

Use this option to configure Tally.ERP 9 to use an existing license.

L : Login as Remote Tally.NET User

If you have a valid Tally.NET ID, you can access the data of companies which are currently connected, if you have the required permission.

W : Work in Educational Mode

The Educational Mode allows you to learn and use Tally.ERP 9 without buying a license. You can work on data on your computer with some restrictions. For example, you will not be able to enter transactions for all days in a month.
