Dr.MeenaBhandari	In charge, ICFAI Education School	11 A.M.
Ms.AtulyaVerma	Assistant Professor, ICFAI Education School	11 A.M.
<b>Absent: Nil</b>	<b>Reason</b>	
<b>Agenda:</b>		
Updation and Modifications of 2 Years B.Ed. Syllabi		
	<b>Issues</b>	<b>Actions</b>
	<ol style="list-style-type: none"> <li>1. External Examiner for evaluating Final Teaching of Pupil Teachers during III Semester.</li> <li>2. Regular Observation of Pupil Teachers by Faculty during Teaching Internship</li> <li>3. Number of Macro Plans to be fixed.</li> <li>4. New subjects to be introduced.</li> </ol>	Issues were discussed with Prof. GeetaKhanduri
	<p>Points discussed:</p> <ul style="list-style-type: none"> <li>• External Examiner evaluation for Pupil Teachers as Weightage is given to both internal and external evaluation.</li> <li>• Regular observation, once a week is required to check the weaknesses and strength of students. Proper guidance could be provided to the pupil Teacher at the earliest for improvement.</li> <li>• 25 Macro Teaching Plans per subject are adequate and mandatory for a Pupil Teacher to gain Mastery over lesson planning in their respective teaching Subjects</li> <li>• Preliminary School Engagement practice helps a pupil teacher to gain a better understanding of practices at School like Morning prayers, thoughts for the day, preparation of Attendance registers, maintenance of library records, management of students in playground, laboratory etc.</li> <li>• ‘Teacher as a Counselor’ which needs to be introduced from the new Academic Session i.e. (2020-21) plays a vital role for Pupil Teachers as Role of Counselors are important in schools</li> </ul>	Dr. MeenaBhandari briefed the proposed modifications . The modifications were noted for implementation of the same.

| <ul style="list-style-type: none"><li>• Subject- Philosophical and Sociological Foundations of Education is very beneficial for Pupil Teachers as this subject is included in many competitive examinations viz. NET etc.</li><li>• As advised by Prof. Khanduri, Teaching Learning materials prepared under Drama and Arts in Education Course must be mostly working models which create interest among students.</li><li>• Practical subjects like Reflection on School Experience &amp; Reading and Reflecting on Texts must include pictures of experiences availed by pupil teachers during their School visits.</li><li>• Courses like Value Education, Health, Yoga and Physical Education and Guidance and Counselling are good choice of optional subjects as they have been suggested by NCTE too.</li><li>• Hon'ble VC Sir added to this an information that The ICFAI University, Dehradun has MOU with Art of Living which can organize Practical Training Sessions which would cover all the three aspects, namely Health, Yoga and Counselling.</li></ul> |  |
